

JONATHAN D. MORENO

Center for Bioethics
University City Science Center
3401 Market Street, Suite 320
Philadelphia, PA 19104-3319
Phone: 215-573-0245
Fax: 215-573-3036
E-mail: morenojd@mail.med.upenn.edu

CURRENT ACADEMIC PROFESSIONAL APPOINTMENTS:

University of Pennsylvania, Philadelphia, PA

- David and Lyn Silfen University Professor of Ethics, 2007-
- Professor of Medical Ethics and Health Policy and of Professor of History and Sociology of Science in the Standing Faculty, 2007-
- Professor of Philosophy (by courtesy), 2007-
- Faculty, Center for Neuroscience and Society, 2009-
- Faculty Affiliate, Warren Center for Network and Data Sciences, 2013-

Johnson & Johnson Regenerative Medicine Advisory Committee

- Member, 2012-

Presidential Commission for the Study of Bioethical Issues, Washington, DC

- Senior Advisor, 2011-

The National Academies, Washington, DC

- Roundtable on Public Interfaces of the Life Sciences, 2013-
- Committee for Ethical and Societal Implications of Advances in Militarily Significant Technologies that are Rapidly Changing and Increasingly Globally Accessible, Committee on Science Technology and the Law, 2011-13
- Forum on Neuroscience and Nervous System Disorders, Institute of Medicine/National Academy of Sciences, 2009-
- Board on Behavioral, Cognitive, and Sensory Sciences, National Research Council, 2010-13

Center for American Progress, Washington, DC

- Senior Fellow, 2005-

Reproductive Health Technologies Project

- Board of Directors, 2013-

UNESCO

- International Bioethics Committee, 2012-2015
- Chair, Working Group on Non-Discrimination and Non-Stigmatization, 2013

International Neuroethics Society

- Governing Board, 2011-14

Canadian Stem Cell Network

- Scientific Advisory Board, 2009-

Center for Policy on Emerging Technologies, Washington, DC

- Senior Fellow, 2008-

ELECTED HONORARY MEMBERSHIPS:

Member, Section 11, Institute of Medicine/National Academy of Sciences

Fellow, The Hastings Center, Garrison, NY

Faculty Affiliate, Kennedy Institute of Ethics, Georgetown University

Fellow, The New York Academy of Medicine

Fellow, World Technology Network

HONORS AND AWARDS:

Dr. Jean Mayer Award for Global Citizenship, Tufts University, 2012.

Best Books of 2011, The Body Politic, Kirkus Reviews, 2011.

Top 26 Book, The Body Politic, Book Expo America, New York City, 2011.

Starred Review for The Body Politic, Kirkus Reviews, 2011

National Associate, National Research Council, 2008

Benjamin Rush Medal, College of William and Mary Law School, 2008

Nominee, Virginia Literary Award for *Mind Wars*, 2007

Alumnus of the Month, Hofstra University, May 2007

Nominee, Los Angeles Times Book Prize for *Undue Risk*, 1999

Nominee, Virginia Literary Award for *Undue Risk*, 1999

Honorary Doctorate of Humane Letters, Hofstra University, 1998

Board of Trustees Alumni Achievement Award, Hofstra University, 1993

Andrew W. Mellon Post-Doctoral Fellow in association with the Aspen Institute
for Humanistic Studies, 1984-85

Dilthey Fellow, George Washington University, June 1983

Douglas Greenlee Prize, Society for the Advancement of American Philosophy, 1982

Faculty research grant, George Washington University, July-August 1981
Teaching Fellowship in Philosophy, Washington University, 1976-77
University Fellowship in Philosophy, Washington University, 1975-76

ENDOWED LECTURESHIPS:

- Robert Levine Lecturer, Yale University, New Haven, Ct. 2013.
- Kavli Foundation Lecturer, University of Wisconsin, 2013.
- Donovan Lecturer, St. Agnes Health Care Center, Baltimore, Md., 2013.
- Mielke Lecturer, Program in Neuroscience, University of Wisconsin, Madison, 2007.
- Berry Lecturer, Department of Philosophy, Vanderbilt University, 2007.
- Stevenson College Alumni Distinguished Lecturer, University of California at Santa Cruz, 2007
- Conley Ethics Lecturer, American College of Surgeons, 2007.
- Cowan Lecturer, Division of Medical Ethics, University of Utah College of Medicine, 2006.
- John R. Hogness Symposium Speaker, Warren G. Magnuson Health Sciences Center in Seattle, University of Washington, Seattle, WA. 2003.
- Inaugural Distinguished Lecturer, Center for Health Care Ethics, St. Louis University, St. Louis, Mo., 2003.
- Samuel G. Dunn Lecturer in Medicine and the Humanities, University of Texas Medical Branch, Galveston, Tx., 2003.
- John T. Conley Lecturer, American Head and Neck Society, 2003.
- Reynolds Lecturer, Emory & Henry College, Emory, Va., 2003
- Donovan Lecturer, St. Agnes Health Care Center, Baltimore, Md., 2002
- Sanders Lecturer, University of Kentucky Medical School, Lexington, Ky., 2002
- Leikin Lecturer, Children's National Medical Center, 2002
- Melissa A. Warfield Visiting Professor, Children's Hospital of the King's Daughters, Norfolk, Va., 2001
- Dunlop Lecturer, University of Massachusetts Medical Center at Worcester, 2000
- John T. Conley Distinguished Lecturer in the Medical Humanities, SUNY Health Science Center at Brooklyn, 2000
- Iago Galdston Memorial Lecturer, New York Academy of Medicine, 1995
- George M. Estabrook Distinguished Service Award, Hofstra University Alumni Association, 1992
- Edward J. Arida Memorial Lecturer, Lutheran Medical Center, Brooklyn, New York, 1992
- Irene Lefton Memorial Lecturer, North Shore University Hospital, Manhasset, New York, 1991

PREVIOUS ACADEMIC APPOINTMENTS:

University of Pennsylvania

- Interim Chair, Medical Ethics, 2009-2011.
- Interim Chair, Science, Technology and Society, 2011-12

University of Virginia

- Visiting Professor of Biomedical Ethics, 2007-08
- Emily Davie and Joseph S. Kornfeld Professor of Biomedical Ethics, 1998-2006
- Director of the Center for Biomedical Ethics, 1998-2006

State University of New York, Health Science Center at Brooklyn

- Professor of Pediatrics and of Medicine and Director, 1989-98
- Division of Humanities in Medicine, 1989-98

George Washington University, Washington, DC

- Associate Professor of Philosophy, Health Care Sciences, and Child Health and Development, 1985-88
- Assistant Professor of Philosophy, 1978-85

University of Texas at Austin

- Assistant Professor of Philosophy, 1978-79

Swarthmore College, Swarthmore, PA

- Visiting Assistant Professor of Philosophy, Spring 1978

PREVIOUS EXPERIENCE:

Cleveland Clinic/Case Western Reserve University

- Cleveland Fellowship in Advanced Bioethics, External Advisory Board, Cleveland, OH, 2006-13

Hofstra University, Hempstead, NY

- Hofstra College of Liberal Arts and Sciences Advisory Board, 2008-12.

U.S. Department of Justice, Federal Bureau of Investigation

- Research Committee, High-Value Detainee Interrogation Group, 2011-12

National Science Advisory Board for Biosecurity, National Institutes of Health

- Consultant, 2011

Project on the Governance of Emerging Dual-Use Technologies in the Chemical and Biological Fields, Monterey Institute, Washington, DC

- Dual-Use Technologies Working Group, 2009-10

Obama-Biden Transition Project

- Team Lead, Department of Health and Human Services Agency Review for Bioethics, 2008-09

Obama for America 2008

- Member, Science Policy Committee, 2008

The National Academies

- Standing Committee on Technology Insight-Gauge, Evaluate and Review (TIGER), Air Force Studies Board, Department of Engineering and Physical Sciences, 2011-12
- Chair, Section 11, Institute of Medicine/National Academy of Sciences, 2009-2011
- Planning Committee, National Academy of Sciences, Sackler Symposium on Neuroscience and the Law, 2010
- Board on Life Sciences, National Academy of Sciences, 2006-10.
- Committee on Field Evaluation of Behavioral and Cognitive Sciences-Based Methods and Tools for Intelligence and Counter-Intelligence, National Research Council, 2009
- Planning Committee, Direct to Consumer Genetic Testing Workshop, Institute of Medicine/National Academy of Sciences, 2008-09
- Committee on Military and Intelligence Methodology for Emergent Physiological and Cognitive/Neural Science Research in the Next Two Decades, National Research Council, 2007-08
- Vice Chair, Section 11, Institute of Medicine/National Academy of Sciences, 2007-09
- Advisory Committee on Human Embryonic Stem Cell Research, Institute of Medicine/National Academy of Sciences, 2006-09
- Committee on Biodefense Analysis and Countermeasures, National Academy of Sciences, 2006-07
- Committee on Ethical Considerations for Revisions to DHHS Regulations for Protection of Prisoners Involved in Research, 2005-06
- Committee on Clinical Trial Registries, Institute of Medicine, 2006
- Co-Chair, Committee on Guidelines for Human Embryonic Stem Cell Research, Institute of Medicine/National Academy of Sciences, 2004-05
- Panel to Review the Dose Reconstruction Program of the Defense Threat Reduction Agency, 2002-03
- Board on Health Sciences Policy, 2001-2007

- Committee on Field Evaluation of Behavioral and Cognitive Sciences-Based Methods and Tools for Intelligence and Counter-Intelligence, National Academy of Sciences, 2009

Canada Institutes of Health Research

- Michael Smith Prize in Health Research Peer Review Committee, 2010

Howard Hughes Medical Institute, Chevy Chase, MD

- Bioethics Advisory Board, 2000-2009

GlaxoSmithKline

- Chief Medical Officer's Advisory Board, 2007-08

Bill and Melinda Gates Foundation

- Bioethics Advisory Board for Grand Challenges in Global Health Initiative, Beijing, China, 2006-11

Association for the Accreditation of Human Research Protection Programs

- Council on Accreditation, 2000-06

Genomics Collaborative, Inc., Cambridge, MA

- Bioethics Advisory Board, 2001-04

Office of the Secretary, U.S. Department of Health and Human Services

- Secretary's Advisory Committee on Human Research Protections, 2003 (declined),
- National Human Research Protections Advisory Committee, 2001-02

National Bioethics Advisory Commission

- Senior Consultant, 1998-2000

Department of Clinical Bioethics, National Institutes of Health, Bethesda, MD

- Special Expert, Spring 1998

University of Pennsylvania

- Interim Chair, Department of Medical Ethics and Health Policy, 2008-2011
- Faculty Associate and Director of the Project on Human Research Ethics, Center for Bioethics, 1995-97

President's Advisory Committee on Human Radiation Experiments, Washington, DC

- Senior Policy and Research Analyst, 1994-95

Department of Health, State of New York

- Organ Procurement and Transplant Policy Council, 1993-97

Institute of Philosophy and Public Policy, University of Maryland, College Park, MD

- Visiting Scholar, 1990-91

Children's National Medical Center, Washington, DC,

- Philosopher-in-Residence, 1987-88

The Hastings Center, Garrison, NY

- Associate for Social and Behavioral Studies, 1984-85
- Visiting Scholar, Summer 1983

Center for Policy on Emerging Technologies, Washington, DC

- Board Member, 2008-2011

OFFICES IN ORGANIZATIONS AND PROFESSIONAL SOCIETIES:

- Chair, American Society for Bioethics and Humanities Task Force on Promotion and Tenure, 2007
- President, American Society for Bioethics and Humanities, 2003-04
- Board of Directors, American Society of Law, Medicine, and Ethics, 1997-2000
- Committee on Medicine in Society, New York Academy of Medicine, 1995-1998.
- Committee on Bioethical Issues, Association of the Bar of the City of New York, 1991-95
- Member ex officio, Committee on Philosophy and Medicine, American Philosophical Association, Eastern Division, 1987-89.
- Forum on Bioethics chairperson, 1988-89; program chair, 1987-88; membership coordinator, 1986-87, American Public Health Association.
- Executive Council, American Society of Group Psychotherapy and Psychodrama, 1985-91
- Executive Council, Society for the Advancement of American Philosophy, 1986-88; Eastern Division Chairperson, 1983-85

EDUCATION:

Ph.D., Washington University, 1977 (Philosophy)

Dissertation: The Development of the Theory of Signs in the American Philosophical Tradition.

B.A., Hofstra University, 1973 (Highest Honors in philosophy and psychology)

Editor: American Philosophical Association Newsletter on Philosophy and Medicine, 1987-89.
Editor: American Society of Group Psychotherapy and Psychodrama Newsletter, 1985-1988.
Consulting Editor: Qualitative Sociology, 1977-83.
Co-editor: Tales (recipient of grants from Coordinating Council of Literary Magazines and National Endowment for the Arts), 1975-79.
Editorial staff: Telos, 1975-76.

INVITED LECTURES AND OTHER PROFESSIONAL ACTIVITIES (SELECTED):

“Challenging Ethical Boundaries: Neuroscience and National Security,” Research Within Bounds: Protecting Human Participants in Modern Medicine and the Declaration of Helsinki, 1964-2014. Brocher Foundation, Geneva, Switzerland. September 12, 2013.

“Mind Wars: Brain Research and the Military in the 21st Century,” World Health Organization, Geneva, Switzerland. September 11, 2013.

“Introduction to Research Ethics,” Howard University, Washington, DC. June 12, 2013.

“The Body Politic: The Battle Over Science in America,” Program in Religious Studies, UCLA. May 20, 2013.

“Mind Wars: Brain Research and the Military in the 21st Century,” St. Agnes Medical Center, Baltimore, MD. May 3, 2013.

“Mind Wars: Brain Research and the Military in the 21st Century,” Center for Applied Philosophy and Public Ethics, Monash University, Melbourne, Australia. April 11, 2013.

“Mind Wars: Brain Research and the Military in the 21st Century,” School of Philosophy, University of Tasmania, Hobart, Australia. April 8, 2013.

“Mind Wars: Brain Research and the Military in the 21st Century,” Center for Applied Philosophy and Public Ethics, University of Melbourne, Melbourne, Australia. April 4, 2013.

“Neuroscience and National Security,” Department of Neurology, Hofstra University Medical School, Hempstead, NY. March 4, 2013.

“Mind Wars: Brain Research and the Military in the 21st Century,” University of Kent,

Canterbury, UK. February 15, 2013.

“The Guatemala Experiments,” Carillion Medical Center, Roanoke, Virginia. September 5, 2012.

“Neuroscience and Ethics,” SciFOO Camp, Emeryville, California. August 4, 2012.

“Mind Wars: Brain Research and the Military in the 21st Century,” American Association for the Advancement of Science, Washington, DC. July 27, 2012.

“The Body Politic: The Battle Over Science in America,” ctlegal Biannual Meeting, Parsippany, NJ. May 3, 2012.

“The Body Politic: The Battle Over Science in America,” Nova Southeastern University, Fort Lauderdale, FL. April 27, 2012.

“Neuroscience and the Military,” Division of Earth and Life Sciences, National Academy of Sciences, Washington, DC. April 23, 2012.

“The Body Politic: The Battle Over Science in America,” Lehigh University, Bethlehem, PA. April 4, 2012.

“It’s Not the Science, It’s the Scientists,” Council of Scientific Society Presidents, Washington, DC. December 5, 2011.

“IRB: Beyond Informed Consent,” PRIM&R, National Harbor, Md. December 3, 2011.

“Neuroethics and National Security,” International Neuroethics Society, Washington, D.C. November 11, 2011.

“The Body Politic,” Berman Bioethics Institute, John Hopkins University, Baltimore, Md. November 28, 2011.

“The Body Politic,” Center for Bioethics, University of Miami, Miami, FL. September 16, 2011.

“The Body Politic,” School of History, University of Kent, Canterbury, England. May 16, 2011.

“Neuroscience and Security,” Brain Waves 3 Workshop, The Royal Society, London, England. May 13-14, 2011.

“The Body Politic,” Humanities Initiative Research Group on Health, Humanities, and Culture, New York University. March 8, 2011.

“Mind Wars: Brain Research and National Defense,” NELSI-3: Ethical Issues in the Use of Neuroscience and Neurotechnology in National Defense, George Mason University and the Potomac Institute, Falls Church, VA. February 25, 2011.

http://www.potomac institute.org/index.php?option=com_content&view=article&id=915:video-nelsi-3-conference&catid=71:cns-events-publications&Itemid=103

“Chimera in Bioethics and Biopolitics,” 3rd Annual GABEX Meeting, Center for Bioethics, University of Tokyo. February 11-12, 2011.

“Ethical Norms in a New Reality,” World Economic Forum Annual Meeting, Davos, Switzerland. January 28, 2011.

“Biotechnology and Health Care Advances,” Center for Policy on Emerging Technologies and U.S. Chamber of Commerce, Washington, DC. January 14, 2011.

“Enhancement and National Security,” Transforming Humanity: Fantasy, Dream, Nightmare? Center for Inquiry, Philadelphia, PA. December 3, 2010.

“The Stem Cell Debate: Looking Back, Looking Ahead,” Canadian Stem Cell Network, Calgary, Alberta. November 23, 2010.

“The History and Ethics of Intelligence Community Behavioral Research,” Upstate Medical University and Syracuse University, Syracuse, NY. September 30, 2010.

“The Human Embryonic Stem Cell Research Controversy: Looking Back, Looking Ahead,” Achieving Excellence in Clinical Research Annual Conference, Advocate Health Care, Oak Brook, IL. September 23, 2010.

“The Third Revolution in Doctor-Patient Relations,” Keynote Address, Kentucky Medical Association, Louisville, Ky. September 20, 2010.

“Neuroethics and Policy,” Scottish Imaging Network, University of Edinburgh, Glasgow, Scotland. August 19, 2010.

““History and Ethics of Intelligence Community Behavioral Sciences Research,” “Update on Ethical and Policy Issues in Stem Cell Research.,” Post-Doctoral Program in Medical Ethics, University of Chicago. July 26, 2010.

“History and Ethics of Intelligence Community Behavioral Sciences Research,” Intelligence Science Board, Office of the Director of National Intelligence, McLean, Va. July 7, 2010.

“Mind Wars: Brain Research and National Defense,” Brookings Institution, Washington,

DC. June 15, 2010.

Panelist, "Ethical Issues with Stem Cells and Induced Pluripotent Stem Cells," American Society of Gene and Cell Therapy, Washington, DC. May 19, 2010.

"What's Going on in Bioethics," Plenary Lecture, American Society of Group Psychotherapy and Psychodrama, Philadelphia, Pa. April 16, 2010.

"New Uses for Old Cells," Center for Health Care Ethics, Saint Louis University, St. Louis, Mo. March 2, 2010.

"Human Experiments and National Security," Washington University School of Medicine, St. Louis, Mo. March 1, 2010.

"Bioethics and Biopolitics," Center for Bioethics New York University, NY. January 27, 2010.

Second Year Speaker, "Ethics of Human Embryonic Stem Cell Research," Des Moines University College of Osteopathic Medicine, Des Moines, Ia. January 25, 2010.

Plenary Speaker, "Ethical Dilemmas in Science Practice," AAAS Science and Human Rights Coalition, American Association for the Advancement of Science, Washington, D.C. January 22, 2010.

Keynote, "Ethical Dimensions," Workshop on Advancing Rare Disease Research: The Intersection of Patient Registries, Biospecimen Repositories and Clinical Data, National Institutes of Health, Bethesda, Md. January 10, 2010.

"Mind Wars: Brain Research and National Defense," Osaka University, Japan. November 18, 2009.

"Biopolitics in America," University of Tokyo, Japan. November 16, 2009.

Keynote Lecture, Japan Association for Bioethics, Yokohama, Japan. November 15, 2009.

Panelist, "The Age of Bio-Insecurity," American Humanist Association, National Press Club, Washington, DC. November 9, 2009.

"Mind Wars: Brain Research and National Defense," Interdisciplinary Center for Bioethics, Yale University, New Haven, CT. November 6, 2009.

"Mind Wars: Brain Research and National Defense," Philadelphia College of Physicians, Philadelphia, PA. November 2, 2009.

Social Issues Roundtable, Society for Neuroscience, Chicago, IL. October 18, 2009.

Member, Focus Group on Improving U.S. Secondary School Lab Skills, Center for Excellence in Education, McLean, VA. October 13, 2009.

“Medical Ethics in the Military,” Defense Health Board Medical Ethics Subcommittee, Falls Church, VA. August 25, 2009.

Public Symposium Panelist, “Everything You Always Wanted to Know About Stem Cells But Were Afraid to Ask,” International Society for Stem Cell Research, Barcelona, Spain. July 7, 2009.

Presenter, Genome Canada Board Retreat, Toronto, CA. June 17, 2009.

Panel: “Bioethics and Politics,” Hastings Center 40th Anniversary Event, New York, NY. June 12, 2009.

“Ethics of Surgical Innovation,” Association of Surgical Technologists, Las Vegas, NV. May 27, 2009.

StemCONN 09: Second Connecticut Conference on Stem Cell Research, New Haven, CT. March 23, 2009.

t
“Mind Wars: Brain Research and National Defense,” Tenth Anniversary of the Consortium on Law and Values in Health, Environment & the Life Sciences, University of Minnesota, Minneapolis. March 6, 2009.

Keynote, “Mind Wars: Brain Research and National Defense,” Keynote, Annual Bioethics Conference, University of Illinois, Chicago. March 5, 2009.

“Mind Wars: Brain Research and National Defense,” Rock Ethics Lecture Series, Pennsylvania State University, University Park, PA. January 26, 2009.

“Neuroscience and National Security,” Security Studies Program. MIT, Cambridge, Ma. January 8, 2009.

“Neuroscience and National Intelligence,” panel moderator, Neuroethics Society, Washington, DC. November 14, 2008.

“Medical Ethics,” Knight Center Seminar on Medical Advances, University of Maryland, College Park. September 24, 2008.

"Ethical and Policy Issues in Human Embryonic Stem Cell Research," Institute of Medicine Regional Meeting, University of Michigan, Ann Arbor, MI. September 22, 2008.

Panel on Science Policy (prior to first presidential debate of 2008 election): "What Should be on the Next President's Agenda?" University of Mississippi, Oxford MS. September 18, 2008.

"Mind Wars," Neuropsychiatry Grand Rounds, Department of Psychiatry, University of Pennsylvania. September 11, 2008.

Plenary, "Achieving Excellence in DoD Human Research Protection Programs: Training Program," Crystal City, Va. June 26, 2008.

"Research and Neuroethics," Forum on Neuroscience and Nervous System Disorders, "From Molecules to Mind: Challenges for the 21st Century, Institute of Medicine, Washington, D.C. June 25, 2008.

"Neuroethics," Capitol Hill science policy briefing, *Seed Magazine*, Washington, D.C. March 20, 2008.

"Mind Wars: Brain Research and National Defense," Hofstra University, Hempstead, N.Y. March 12, 2008.

Panel on Neuroscience, Ethics and Law, Association of American Law Schools, New York, N.Y. January 5, 2008.

"Mind Wars: Brain Research and National Defense," Department of Psychiatry Grand Rounds, University of Texas Southwestern Medical School, Dallas. December 12, 2007.

"Mind Wars: Brain Research and National Defense," University of Texas at Dallas Public Forum, December 11, 2007.

"The Ethics of Human Embryonic Stem Cell Research," Ethics Grand Rounds, University of Texas Southwestern Medical School, Dallas. December 11, 2007.

"Mind Wars: Brain Research and National Defense," Stevenson College, University of California at Santa Cruz. November 30, 2007.

"The Ethics of Human Experimentation for National Security Purposes," Stevenson College, University of California at Santa Cruz. November 29, 2007.

“Informed Consent,” Secretary’s Advisory Committee on Human Research Protections, Arlington, Va. July 31, 2007.

Organizing committee and session chair, ESCRO Committee Workshop, Stanford University. July 19, 2007.

“Progressive Bioethics,” President’s Council on Bioethics staff lunch speaker, Washington, DC. July 12, 2007.

Panelist, “From Abigail to Penelope: Individual to Corporate Rights,” Food and Drug Law Institute, Washington, DC. June 28, 2007.

Co-organizer and Speaker, International Stem Cell Workshop, Embassy of France/European Council on Science and Technology/Center for American Progress, Washington, DC. June 15, 2007.

Panelist, Embryonic Stem Cell Research Controversy, Second Federal Circuit Judicial Conference, Lake George, New York. June 8, 2007.

“Stem Cell Ethics and Policy,” GCRC Forum, Wake Forest University Medical School, Winston-Salem, N.C. May 16, 2007.

Panel, “Emerging Technologies in Stem Cells: the Science, the Ethics and the Opportunities,” Biotech 2007, Durham, N.C. May 15, 2007.

“Mind Wars: Brain Research and National Defense,” Keynote address, IHEU Appignani Bioethics Center, New York, N.Y. May 11, 2007.

“Mind Wars: Brain Research and National Defense,” Philadelphia Veterans Affairs Hospital, May 3, 2007.

Community Acceptance Panel on Riot Control Agents, National Institute of Justice, Washington, D.C. April 30, 2007

“Mind Wars: Brain Research and National Defense,” Edward F. Mielke Lecture, Program in Neuroscience, University of Wisconsin, Madison, WI. March 28, 2007.

“Mind Wars: Brain Research and National Defense,” Keynote address, *The Deal* Annual Symposium, New York, N.Y. March 21, 2007

“Mind Wars: Brain Research and National Defense,” Berry Lecture, Department of Philosophy, Vanderbilt University, Nashville, TN. March 26, 2007.

“Mind Wars: Brain Research and National Defense,” Potomac Institute Center for Neurotechnology and Society, Ballston, VA. March 16, 2007.

“When Policy Affects Innovation: At the Crossroads of Academia and Industry,” American Institute for Medical and Biological Engineering, Washington, D.C. February 28, 2007.

“Emerging Issues in the Ethics of Biodefense,” John Hopkins University and Duke University Workshop on Ethics and Biodefense, Washington, D.C. February 5, 2007.

“Ethical Guidelines for Human Embryonic Stem Cell Research,” University of California at Davis Medical School, Davis, CA, December 13, 2006.

“Mind Wars: Brain Research and National Defense,” Simpson Center for the Humanities, University of Washington, Seattle, WA, October 12, 2006.

“Mind Wars: Brain Research and National Defense,” Honors Program, Wichita State University, Wichita, KA. September 31, 2006.

“Lessons of the Advisory Committee on Human Radiation Experiments,” Division of Medical Ethics, University of Chicago, Chicago, IL. September 27, 2006.

“Ethical Guidelines for Human Embryonic Stem Cell Research,” New York State Task Force on Life and the Law, New York, N.Y. September 19, 2006.

“Ethical Guidelines for Human Embryonic Stem Cell Research,” American College of Research Physicians, Phoenix, AZ. May 1, 2006.

“Ethics of Clinical Research,” George Washington University Medical School, Washington, D.C. April 28, 2006.

“Neuroscience and National Defense,” Department of Bioethics, Cleveland Clinic, Cleveland, OH. April 18, 2006.

“Ethical Guidelines for Human Embryonic Stem Cell Research,” Conference on The New Medicine, University of Virginia, Charlottesville, VA. March 16, 2006.

“Progressive Bioethics,” New York University Law School, New York, N.Y. March 10, 2006.

“Conflicts of Interest in Bioethics,” Division of Medical Ethics, Harvard Medical School, Boston, MA. February 17, 2006.

“Ethical Guidelines for Human Embryonic Stem Cell Research,” Institute for Ethics and

Public Affairs, Old Dominion University, Norfolk, VA. February 9, 2006.

“Ethical Guidelines for Human Embryonic Stem Cell Research,” Center for Biodesign, Arizona State University, Tempe, AZ. January 31, 2006.

“Let’s Think Small,” Inaugural Keynote Lecture for Center for Nanotechnology in Society, Arizona State University, Tempe, AZ. January 30, 2006.

“Mind Wars: National Security and the Brain,” Division of Medical Ethics, University of Utah, Salt Lake City, UT. January 18, 2006.

“Ethical Guidelines for Human Embryonic Stem Cell Research,” America’s Health Insurance Plans Convention, Las Vegas, NV. June 10, 2005.

“Neuroscience, Dual Use, and National Security,” Inter-Institute Bioethics Group, National Institutes of Health, Bethesda, MD. June 6, 2005.

“Ethics and Genetics,” Introduction to Bioethics and Culture, Centre for Biomedical Ethics and Culture, Sindh Institute of Urology and Transplantation, Karachi, Pakistan. April 8, 2005.

“The History of Human Research Protections: Where Does Accreditation Fit In?” Annual Meeting Keynote, American Association of Human Research Protection Programs, Atlanta, GA. March 14, 2005.

“Consensus in Public Bioethics Commissions,” Conference on Public Bioethics Commissions, Yale University, New Haven, CT. January 21, 2005.

“Seeking Consensus and Information on Stem Cell Research,” Center for Practical Bioethics, Kansas City, MO. January 14, 2005.

“Secret State Experiments on Humans,” Ethics Grand Rounds, University of Texas Southwestern Medical Center, Dallas, TX. December 14, 2004.

“Ethical and Policy Issues in Human Embryonic Stem Cell Research,” Workshop on Human Embryonic Stem Cell Research, National Academy of Sciences, Irvine, CA. December 1, 2004.

Harvard University Medical School, Division of Medical Ethics Stem Cell Forum, Boston, MA. November 23, 2004.

“Why the Helsinki Declaration is Still Relevant,” Conference on the 40th Anniversary of the Declaration of Helsinki, Hanover, Germany. October 2, 2004.

"Secret State Experiments on Humans," Emory University IRB Retreat, Atlanta, GA. September 10, 2004.

"Brave New World: What's the Price?" Memphis Public Libraries, Memphis, TN. May 3, 2004.

"A Practical Primer on Research Ethics," American Association for the Study of Liver Disease, New Orleans, La. May 15, 2004.

"Bioethics and the National Security State," Institute for Philosophy and Public Policy, University of Maryland, College Park, MD. February 6, 2004.

Invited testimony on ethics and internet file-sharing, U.S. Senate Permanent Subcommittee on Investigations, Washington, D.C. September 30, 2003.

"History and Ethics of Human Experiments," Institute of Genomics and Informatics, University of California, Irvine. December 10, 2003.

"Ethics of Innovative Surgery," Berman Bioethics Institute, Johns Hopkins University, Baltimore, MD. November 17, 2003.

"Bioethics and the National Security State," Presidential Address, American Society for Bioethics and Humanities, Montreal, Canada. October 25, 2003.

"Human Research Protections: How We Got Here, Where We Are, and Where We're Going,"
Grand Rounds, Department of Dermatology, Indiana University Medical School, Indianapolis, IN. September 17, 2003.

"Must Surgeons be Samaritans?" American Head and Neck Society, Nashville, TN. May 6, 2003.

"History and Ethics of Biowarfare Research," Haverford College, Haverford, PA. April 15, 2003.

"Bioterrorism and the Ethics of Research Design," Royal Society of Medicine, London, England. April 5, 2003.

"What Do Doctors Owe to Research Subjects?" Grand Rounds, Department of Clinical Bioethics, Warren G. Magnuson Clinical Center, National Institutes of Health, Bethesda, MD. April 2, 2003.

"Ethics and the Blood Supply," Advisory Committee on Blood Safety and Availability, Department of Health and Human Services, Washington, D.C. January 23, 2003.

"Informed Consent and Disaster-Related Research," NIMH Workshop on Disaster-Related Research, New York Academy of Medicine. January 13-14, 2003.

"Bioethics and Bioterrorism," American Public Health Association, Philadelphia, PA. November 11, 2002.

"Neuroscience and Ethics," Canadian Institute of Health Research, Toronto, Canada. November 9, 2002.

"Bioethics and National Security" (keynote), Conference on Bioethics and National Security, Friends Research Institute, Washington, D.C. October 21, 2002.

"The Ethics of Stem Cell Research," Carillion Health System Annual Ethics Conference, Richmond, VA. September 19, 2002.

"Undue Risk: Secret State Experiments on Humans," St. Agnes Medical Center, Baltimore, MD. June 6, 2002.

"Gaging Ethics," Neuroethics: Mapping the Field, Charles W. Dana Foundation, Stanford University and University of California at San Francisco, San Francisco, CA. May 13-14, 2002.

"Brave New World: What's the Price?" Blue Cross/Blue Shield of Minnesota Major Accounts Summit, Minneapolis, MN. April 23, 2002.

"Undue Risk: Secret State Experiments on Humans," University of Maryland School of Medicine, Baltimore, MD. March 21, 2002.

"Undue Risk: Secret State Experiments on Humans," University of Kentucky School of Medicine, Lexington, KY. March 20, 2002.

"Bioethics and Bioterrorism," Association of The Bar of North Carolina, Raleigh, NC. February 15, 2002.

"Human Experiments and National Security," Center for Bioethics and Humanities, Duke University, Durham, NC. February 14, 2002.

"Human Experiments and National Security," American Association for the Advancement of Science, Washington, D.C. December 18, 2001.

"Bioethics and National Security," Human Subjects Research Subcommittee, Committee on Science, National Science and Technology Council, Washington, D.C. November 7, 2001.

"Can It Happen Here? Secret State Experiments on Humans," Cedars Sinai Medical Center, Los Angeles, CA. October 21, 2001.

"Deciding for Others Together: Moral Consensus in the Midst of Uncertainty," Center for Clinical Ethics, SUNY at Buffalo, Buffalo, NY. September 21, 2000

"Ethical Issues in Research Involving Persons at Risk for Suicide," National Institutes of Mental Health Workshop, Washington, D.C. June 7-8, 2001.

"Fiduciary Knowledge and Moral Consensus in Bioethics," Annual Conference on the Human Sciences, George Washington University, Washington, D.C. April 20, 2001.

"Secret State Experiments on Humans," Institution for Social Policy Studies, Yale University, New Haven, CT. April 18, 2001.

"Bioethics and Moral Consensus," Department of Philosophy, Carnegie-Mellon University, Pittsburgh, PA. March 15, 2001.

"Ethical Issues and the Minimal Genome" (panel), American Association for the Advancement of Science, San Francisco, CA. February 19, 2001.

"How Much Progress Have We Made in Human Experimentation Ethics," Division of Cardiology Grand Rounds, University of Virginia. January 23, 2001.

"Protectionism in Human Subjects Research," Maryland Psychiatric Research Center, Towson, MD. January 8, 2001.

"More Ethical Issues in Clinical Trials," Janssen Pharmaceuticals, Princeton, NJ. September 6, 2000.

"The NBAC Report on Research Involving Persons with Mental Disorders," Baylor College of Medicine Department of Psychiatry, Houston, TX. October 6, 2000.

"Undue Risk: Secret State Experiments on Humans," Dunlop Lecture, University of Massachusetts at Worcester, Worcester, Massachusetts. June 7, 2000.

"Ethical Issues in Psychiatric Research" and "Undue Risk: Secret State Experiments on Humans," Center for Biomedical Ethics, University of Minnesota, Minneapolis. May 3-4, 2000.

"Undue Risk: Secret State Experiments on Humans," Health Law and Ethics Program, Seton Hall University Law School, Newark, NJ. March 28, 2000.

"Human Experiment Policy in the National Security Establishment in the Early Cold War," Chembioweapons Forum, Kennedy School of Government, Harvard University, Cambridge, MA. February 22, 2000.

"Undue Risk: Secret State Experiments on Humans," Division of Humanities in Medicine, SUNY Health Science Center at Brooklyn. January 27, 2000.

"Current Issues in Psychiatric Research Ethics," Department of Psychiatry Grand Rounds, University of Virginia. August 30, 1999.

"Cultural Differences -- Ethics in Clinical Trials," Drug Industry Association, Baltimore, MD. June 30, 1999.

"Consensus and Ethics Committees," Carilion Health System, Roanoke, VA. May 25, 1999.
