

## VITA

May, 2024

### PERSONAL INFORMATION

Name: Karen Glanz  
Office Addresses: Department of Biostatistics, Epidemiology and Informatics  
Perelman School of Medicine, University of Pennsylvania  
801 Blockley Hall, 423 Guardian Drive  
Philadelphia, PA 19104-6021  
and  
Department of Biobehavioral Health Sciences  
University of Pennsylvania School of Nursing  
321 Fagin Hall, 418 Curie Blvd.  
Philadelphia, PA 19104-4217  
Office Phone: 215/898-0613 (Medicine), 215/746-8319 (Nursing)  
Fax: 215/573-5315  
Home Address: 342 Trevor Lane, Bala Cynwyd, PA 19004  
Cell Phone: 404/276-0537  
Home Telephone: 484/270-8446  
Email: [kglanz@upenn.edu](mailto:kglanz@upenn.edu)  
Web site/page: <http://www.med.upenn.edu/chbr/>, [www.upennprc.org](http://www.upennprc.org)

### EDUCATION

B.A. With Distinction, in Spanish (emphasis on humanities and social sciences);  
University of Michigan, Ann Arbor, 1974  
M.P.H. Health Behavior and Health Education, University of Michigan School of Public  
Health, Ann Arbor, April 1977  
Ph.D. Health Behavior and Health Education, University of Michigan Rackham School of  
Graduate Studies, Ann Arbor, August 1979  
Dissertation: The Effects of Intervention Strategies to Increase Adherence to Antihypertensive  
Medical Regimens: Linking Research and Practice

### PROFESSIONAL POSITIONS

2009 – present George A. Weiss University Professor, Professor of Epidemiology and Nursing [tenured],  
Perelman School of Medicine and School of Nursing (PSOM), University of Pennsylvania,  
Philadelphia, PA  
  
Professor, Department of Medical Ethics and Health Policy, PSOM, University of  
Pennsylvania [7/2023-6/2026]  
  
Associate Director for Community-Engaged Research, Abramson Cancer Center, [2018-2022]  
Program Co-Leader, Cancer Control Program, Abramson Cancer Center [2018- ]  
  
Senior Scholar, Center for Clinical Epidemiology and Biostatistics (CCEB)  
Member, Grad Group in Epidemiology and Biostatistics  
Director of Research (2013-2016) and Senior Fellow (2009-present), Center for Public  
Health Initiatives (CPHI)  
  
Member (2010-present) and Core Director, ROAR (Recruitment, Outcomes, Assessment &  
Retention (2013-2016), Abramson Cancer Center (ACC)  
Senior Fellow, Leonard Davis Institute of Health Economics (LDI)  
Distinguished Fellow, Annenberg Public Policy Center (APPC)  
Senior Fellow (inaugural cohort), Penn Implementation Science Center, 2024-2025

Faculty Fellow, Penn Institute for Urban Research (IUR)  
 Member, Institute of Diabetes, Obesity and Metabolism (IDOM) and  
 Diabetes Endocrinology Research Center (DERC)  
 Affiliated Faculty, Center for Health Incentives and Behavioral Economics (CHIBE)  
 Member, Institute for Translational Medicine and Therapeutics (ITMAT)  
 Member, Skin Diseases Research Core, U Penn Skin Diseases Research Core Center  
 Member, Center for Health Equity Research, U Penn School of Nursing  
 Member, Health and Behavior Research Affinity Group (HB-RAG), CHOP Research  
 Institute (Children's Hospital of Philadelphia)

- 2004 – 2009 Charles Howard Candler Chair in Behavioral Sciences and Health Education, Professor and Georgia Cancer Coalition Distinguished Research Scholar [tenured], Department of Behavioral Sciences & Health Education, Rollins School of Public Health (RSPH), Emory University, Atlanta, GA  
 Program Leader, Health Behavior Research, Winship Cancer Institute  
 Professor, Department of Epidemiology, RSPH, Emory University  
 Professor, Department of Hematology and Oncology, Emory University School of Medicine  
 School of Medicine  
 Graduate Faculty, Nutrition and Health Sciences Program  
 Course taught: Applying Theory in Public Health Research and Practice
- 2009 – present Adjunct Professor, Rollins School of Public Health, Emory University
- 2001 – 2004 Professor [tenured] and Director, Social and Behavioral Sciences Program, Cancer Research Center of Hawaii, University of Hawaii  
 Adjunct Professor, School of Public Health, University of Hawaii  
 Cooperating Graduate Faculty, Program in Epidemiology and Biostatistics  
 Cooperating Graduate Faculty, Department of Food Science and Nutrition  
 Courses taught: Nutrition Education: Theory and Practice
- 1993 – 2000 Professor/Researcher [tenured], Prevention and Control Program, Cancer Research Center of Hawaii, University of Hawaii
- 1989 - 1993 Professor (tenured). Dept. of Health Education, Temple University, Philadelphia  
 Coordinator, Doctoral Program, Dept. of Health Education, Temple University  
 Courses taught: Health Behavior, Program Planning and Evaluation, Research Methods, Nutrition Behavior/Education, Addictions and Dependencies, MPH Field Placements  
 Adjunct Member, Div. of Population Sciences, Fox Chase Cancer Ctr, Philadelphia  
 Adjunct Professor, Dept of Medicine, Temple University School of Medicine.
- 1983-1989 Associate Professor, Health Education, Temple University
- 1979-1987 & 1989-1992 Coordinator, Master of Public Health Program.  
 Department of Health Education, Temple University
- 1979-1982 Assistant Professor, Health Education, Temple University
- 1978-1979 Center for Continuing Education of Public Health Professionals,  
 University of Michigan School of Public Health; Research Associate.
- 1978 Department of Biostatistics, University of Michigan School of Public Health,  
 and Survey Research Center, Institute for Social Research. Research Assistant.
- 1978 Michigan Department of Public Health, Nutrition Unit:

Nutrition Behavior and Training Consultant.

- 1977-1978 Department of Health Behavior and Health Education, University of Michigan  
School of Public Health; Teaching Assistant.
- 1977 Delta Dental Corporation of Michigan: Survey Research Consultant.
- 1970-1978 Certified American Red Cross Instructor in Swimming and Water Safety, Boating and  
Canoeing: Teaching and supervisory activities at camps, parks, universities, YMCA.

### **VISITING FACULTY APPOINTMENTS**

- 2018 Visiting Professor, University of Hawaii Cancer Center, University of Hawaii at  
Manoa, Honolulu, Hawaii
- 2012 Visiting Researcher, Priority Research Centre for Health Behaviour, University of  
Newcastle, NSW, Australia
- 1994 Visiting Professor, School of Public Health, Queensland University of Technology  
Brisbane, Queensland, Australia
- 1987-1988 Visiting Scholar, Division of Epidemiology  
School of Public Health, University of Minnesota
- 1982 Visiting Assistant Professor, Department of Health Education, Teachers College  
Columbia University, New York, NY.

### **EXTERNALLY FUNDED RESEARCH**

Current and past 25 years

- 2023-2030 Achieving Maternal Equity and Transforming Health through Implementation Science  
and Training (AMETHIST@Penn). Funded by the National Institutes of Health (NIH).  
Principle Investigators: Rebecca Feldman Hamm, Meghan Brooks Lane-Fall. Role: Co-  
Investigator. (\$2,749,745)
- 2022-2027 De-Implementation of Low-Value Cervical Cancer Screening. Funded by National  
Cancer Institute (NCI). PI: Katharine Rendle. Role: Co-Investigator. (\$2,031,250)
- 2022-2027 Advancing Cancer Care and Equity through Telehealth, Communication Science, and  
Behavioral Economics. Funded by the National Institutes of Health (NIH)/National  
Cancer Institute (NCI). PI: Justin Bekelman. Role: Co-Investigator. (\$6,500,000)
- 2022-2024 City-Wide Effort to Build Capacity and Engagem Community Members in Cancer  
Disparities Research. Funded by PCORI. MPI: Amy Leader (Jefferson), K. Glanz  
(UPenn), Susan Fisher (Fox Chase/Temple). (\$ 250,000; \$74,888 subcontract to Penn)
- 2022-2027 Cancer Clinical Epidemiology Training Grant. Funded by the National Cancer Institute.  
Principal Investigator (MPI with Richard Aplenc, MD, MSCE). (\$ 3,289,932)  
T32 CA009679-31

- 2022-2025 Environmental and biological factors influencing the prevalence and severity of COVID-19 and vaccine response in African Immigrant and African American communities of Philadelphia. Funded by The Pennsylvania Department of Health. Principal Investigator: Sarah Tishkoff. Role: Co-Investigator. (\$3,635,052)
- 2022-2025 Philadelphia Community Engagement Alliance to address COVID-19 Inequities. Funded by the National Institutes of Health (NIH/NHLBI). PIs: Jose Bauermeister, Antonia Villaruel. Role: Co-Investigator. (\$2,118,690).
- 2021-2026 Behavioral Economic Approaches for Population-based Colorectal Cancer Screening. Funded by National Cancer Institute (NCI). PI: Shivan Mehta. Role: Co-Investigator. (\$3,250,366)
- 2020-2025 A Hybrid Type 1 Effectiveness-Implementation Study of Social Incentives Strategies to Increase Physical Activity. Funded by the National Heart, Lung and Blood Institute (NHLBI), NIH. Principal Investigator (MPI: Mitesh Patel/Ryan Greysen). (\$ 3,957,929)
- 2021-2023 Philadelphia Community Engagement Alliance to address COVID-19 Inequities (CEAL). Funded by NHLBI/NIH. MPIs: Jose Bauermeister, Antonia Villarruel. Role: Co-Investigator. (\$ 1,398,799).
- 2021-2022 Pass the Love Evaluation. Children's Hospital of Philadelphia (CHOP)/Partnership for a Healthier America. PI: Sen Virudachalam. Role: Co-Investigator. (\$24,955 subcontract)
- 2020-2022 COVID-19 Risk Perception, Knowledge, and Behaviors in 6 States. Funded by the Leonard Davis Institute for Health Economics, UPenn. Principal Investigator. (\$7,456)
- 2019-2022 Studying the impact of financial incentives at point of purchase on low-income consumers' purchase of healthy food and, subsequently, on family health. Funded by Healthy Eating Research, Robert Wood Johnson Foundation. Principal Investigator. (\$ 499,975). RWJF Grant ID: 76304.
- 2019-2022 Cancer Clinical Epidemiology Training Grant. Funded by the National Cancer Institute. Principal Investigator (Dual PI with Richard Aplenc, MD). (\$ 1,610,000)  
T32 CA009679-26
- 2017-2018 Evaluating healthy vending policies in five cities. Funded by Healthy Eating Research, Robert Wood Johnson Foundation. Principal Investigator. (\$ 74,857)
- 2016-2018 Assessing population health in the Abramson Cancer Center (ACC) Catchment Area. Supplement to the Abramson Cancer Center Core Grant. Funded by the National Cancer Institute (NCI). Project Leader. (\$ 200,000)
- 2016-2018 Patient and provider perceptions of active surveillance for localized prostate cancer. Pilot award, Center for Therapeutic Effectiveness Research, University of Pennsylvania . Principal Investigator. (\$ 32,031)
- 2016-2019 Built Environment Policies and Interventions for Better Health and Safety. Funded by The Fels Policy Research Initiative. Principal Investigators (Joint): Karen Glanz, Charles Branas. (\$ 16,000)
- 2014-2019 University of Pennsylvania Prevention Research Center. Funded by the Centers for Disease Control and Prevention (CDC). Principal Investigators (Dual): Karen Glanz,

Kevin Volpp. (\$ 4,350,000 core grant plus \$ 4,605,000 in supplements)

- 2014-2018 Reducing UV Exposure to Prevent Skin Cancer: Media Communication Messages and Strategies. Funded by the CDC. Role: Principal Investigator (\$ 1,497,000)
- 2014-2019 UPenn PRC Cancer Prevention and Control Research Network (CPCRN) Collaborating Center. Funded by the CDC. Role: Principal Investigator (\$ 1,495,000)
- 2014-2019 The Impact of Healthy Food Marketing Strategies in Supermarkets. Funded by NIH/NIDDK. Role: Principal Investigator (\$ 1,825,000)
- 2014-2019 Does a Supermarket Improve the Diet and Food Environment of Low-Income Residents? Funded by NIDDK, NIH. Principal Investigators: Allison Karpyn and Karen Glanz (MPIs). University of Delaware. Also Penn PI (subcontract \$ 491,533)
- 2011-2021 University of Pennsylvania Clinical and Scientific Translational Award (CTSA), Funded by NIH/NCATS. Principal Investigator: Garrett FitzGerald, M.D. Role: Director, Community Engagement and Collaboration Core (CEAR Core) (\$ 7,535,673)
- 2015-2019 A Neighborhood-Based Intervention to Reduce Prostate Cancer Disparities. Funded by the Department of Defense (DOD). Principal Investigator: Charnita Ziegler-Johnson, PhD (Thomas Jefferson University). Role: Co-investigator. (\$ 244,617).
- 2016-2021 The impact of e-cigarettes on the uptake and persistence of conventional cigarette smoking: Who is most vulnerable? Funded by the National Cancer Institute (NCI). Principal Investigator: Janet Audrain-McGovern. Role: Co-Investigator. (\$ 384,347)
- 2017-2019 Self-care decision making: Feasibility of the BREATHE asthma intervention trial. Funded by the National Institute for Nursing Research (NINR). Principal Investigator: Maureen George. Role: Subcontract PI. (\$ 150,000)
- 2016-2021 Modifying young adult skin cancer risk and protective behaviors (UV4.me2): A hybrid Type 2 dissemination/effectiveness trial. Funded by the NCI. Principal Investigator: Carolyn Heckman. Role: Co-Investigator. (\$ 505,443)
- 2017-2022 The impact of sugar-sweetened beverage warning labels on consumer beliefs and behaviors. Funded by the NIDDK. Principal Investigator: Christina Roberto. Role: Co-Investigator. (\$ 321,267)
- 2015-2018 Building Local Community Health Leadership. Funded by the CDC. Principal Investigator: Frances Barg, PhD. Role: Co-Investigator (\$ 299,999)
- 2010-2025 University of Pennsylvania, Abramson Cancer Center Core Grant, Funded by the National Cancer Institute. Principal Investigators: Chi Van Dang, MD [to 2017], Robert Vonderheide, MD [2017-present]. Roles: Director, Recruitment, Outcomes, Assessment and Retention (ROAR) Core, 2010; Staff Scientist, 2016-2018; Associate Director for Community-Engaged Research and Program Leader for Cancer Control, 2018-present (\$ 46,176,395 current funding cycle)
- 2014-2017 Evaluating the Impacts of the New Jersey Food Financing Initiative. Funded by the Robert Wood Johnson Foundation, through a subcontract from The Food Trust. Principal Investigator: Candace Johnson, MA. Role: Penn PI (subcontract \$ 94,999).
- 2012-2017 Comprehensive Center of Excellence to Reduce Prostate Cancer Disparities. Funded by

National Institute of Minority Health and Health Disparities (NIMHD) at NIH.  
Principal Investigator: Timothy Rebbeck, PhD. Role: Co-PI and Director of the  
Community Engagement and Dissemination Core. (\$ 4,445,824)

- 2011-2015 Penn TREC Survivor Center. Funded by the National Cancer Institute. Principal Investigator: Kathryn Schmitz, PhD. Role: Director, Dissemination and Outreach Core; Co-Director, Training and Education Core (\$ 1,995,243 Year 1)
- 2013-2015 The Impact of the NYC Sugar Sweetened Beverage Policy on Calories Purchased and Consumed. Funded by National Institute of Diabetes, Digestive and Kidney Diseases (NIDDK), NIH. Principal Investigator: Brian Elbel, Ph.D., New York University. Role: Penn PI (subcontract \$ 142,486)
- 2013-2014 Evaluation of the California FreshWorks Fund. Funded by the California Endowment, to Samuels and Associates (Oakland, Cal.), and subcontract through The Food Trust. Principal Investigator: Sallie Yoshida, DrPH. Role: Penn PI (subcontract \$ 30,000).
- 2012-2013 Social goals and individual incentives to promote walking in older adults. Funded by the Robert Wood Johnson Foundation, Applying Behavioral Economics to Perplexing Problems in Health and Health Care. Principal Investigator, jointly with Jason Karlawish, M.D. (\$ 100,000)
- 2012-2013 Objective integrated measures of the built environment, location, and behavior. Funded by the National Cancer Institute as part of the Penn TREC Survivor Center; a Cross-Center Developmental Study. Role: Penn PI. (\$ 39,999)
- 2012 Testing the Effects of Anti-Sugary Beverage Public Service Advertisements on Youth and Adult Audiences. Funding: Robert Wood Johnson Fdn, Healthy Eating Research Program. Principal Investigator: Amy Jordan, PhD. Role: Co-Investigator (\$ 135,978)
- 2010-2012 Testing food marketing interventions in supermarkets. Robert Wood Johnson Foundation; Principal Investigator on subcontract from The Food Trust (\$ 310,000).
- 2010-2012 Enhanced evaluation of “Get Healthy Philly” Obesity Prevention. Funded by the Centers for Disease Prevention and Control; Principal Investigator on subcontract from Philadelphia Department of Public Health. Role: Principal Investigator (\$ 648,925)
- 2011-2013 Disseminating PAL. Funded by the National Cancer Institute; Principal Investigator: Kathryn Schmitz, PhD. Role: Co-Investigator (\$ 145,000)
- 2010-2014 Advancing Measurement and Modeling of Healthy Food and Activity Landscapes. Funded by the U.S. Department of Agriculture, Principal Investigator. (\$ 1,491,386)
- 2009-2012 Comparative Effectiveness in Genomic Medicine. National Cancer Institute (RC2 GO Grant). Principal Investigator: Katrina Armstrong, M.D. Role: Project Leader, Project 4: CDKN2A/p16 Testing and Adherence to Melanoma Prevention Behaviors.
- 2009-2011 Developing Interactive Technologies to Improve Research and Health Behavior. Funded by the National Institute on Aging (RC2 GO Grant). Principal Investigators: David Asch, M.D. and Kevin Volpp, M.D., Ph.D. Role: Co-investigator.
- 2007-2011 Neighborhood Nutrition and Physical Activity Environments and Weight. Funded by the U.S. Department of Agriculture, Principal Investigator. (\$ 1,305,000)

- 2006-2012 Telephone E-Health Communication for Improving Glaucoma Treatment. Funded by National Eye Institute, National Institutes of Health. Principal Investigator. (\$ 1,428,240)
- 2007-2009 Atlanta Clinical and Translational Science Initiative (ACTSI), funded by the National Institutes of Health (National Center for Research Resources), Principal Investigator: David Stephens, M.D. (\$ 9,629,459). Emory Leader, Community Engagement Research Program, \$ 750,000. [funded through 2012; transferred to another leader when I left Emory University]
- 2008-2009 REACH US Southeastern Network (Racial and Ethnic Approaches to Health), funded by the Centers for Disease Control and Prevention. Principal Investigator: Daniel Blumenthal, M.D., Morehouse School of Medicine. (\$ 1,500,000). Emory Subcontract PI, \$ 350,000. [funded through 2013; transferred to another Subcontract PI when I left Emory]
- 2008-2010 Nutrition Environment Measures – Vending Tool. Subcontract from Iowa Agricultural Extension/Polk County. Principal Investigator. (\$ 25,000)
- 2007-2009 Atlantic Station Employee Health Study: Built Environment Effects on Health Behavior. Funded by Centers for Disease Control and Prevention, Principal Investigator. (\$ 200,000)
- 2007-2009 Training and Dissemination of Measures of Community Nutrition Environments II. Funded by the Robert Wood Johnson Foundation. Principal Investigator (\$ 200,000)
- 2006-2008 Inventory and Assessment of National Breast and Cervical Cancer Early Detection Program (NBCCEDP) Interventions. (Supplement to Emory Prevention Research Center). Co-Investigator; Principal Investigator: Cam Escoffery, Ph.D. (\$ 498,998)
- 2006-2007 Community Outreach Initiative and Patient Navigator Program for Breast and Gynecological Cancer, at Grady Cancer Center. Funded by Avon Foundation, Principal Investigator through December 2006; then Co-Investigator, KJ Arriola is now Principal Investigator. (\$ 499,000)
- 2006-2007 Prostate Cancer Education Materials Development and Dissemination. Funded by Georgia Department of Human Resources. Principal Investigator. (\$ 85,000)
- 2006-2009 Atlantic Station Health Study. Funded by Centers for Disease Control and Prevention (Supplement to Emory Prevention Research Center). Principal Investigator. (\$ 420,000).
- 2005-2010 Improving Self-Monitoring in Weight Loss with Technology. Funded by National Institute of Diabetes, Digestive, and Kidney Diseases (NIDDK), NIH. Co-investigator; Principal Investigator: Lora A. Burke, Ph.D., University of Pittsburgh.
- 2005-2010 Child Weight Status and Neighborhood Physical Activity and Nutrition Environment. Funded by National Institute of Environmental Health Sciences (NIEHS), NIH. Co-investigator; Principal Investigator: Brian Saelens, Ph.D., Seattle Children's Hospital.
- 2004-2009 Emory Prevention Research Center. Funded by the Centers for Disease Control and Prevention (CDC). Principal Investigator and Director (\$ 2,464,428)
- 2004-2009 Georgia Distinguished Clinicians and Scientists Program, Distinguished Cancer

- Research Scholar Award. Funded by the Georgia Cancer Coalition. (\$ 750,000)
- 2004-2009 Increasing CRC Screening in Health Plan Members. Funded by the Centers for Disease Control and Prevention. Principal Investigator (\$1,905,973)
- 2004-2009 Cancer Prevention and Control Research Network (network center; supplement to Emory Prevention Research Center). Funded by Centers for Disease Control and Prevention. Principal Investigator (\$ 1,121,292)
- 2003-2009 Diffusion of an Effective Skin Cancer Prevention Program. Funded by the National Cancer Institute. Principal Investigator (\$ 2,918,859; measurement supplement 2005-2007 - \$ 163,000)
- 2005-2008 CDC Young Investigator Award. Funded by the CDC Foundation/Woodruff Foundation. Mentor; Principal Investigator: Anne Dunlop, MD, MPH.
- 2005-2006 Informed Consent Among African-Americans. Funded by the Greenwall Foundation. Co-investigator; Principal Investigator: Anne Dunlop, MD, MPH.
- 2004-2007 PRISE: Worksite Fitness for African American Women. Funded by the CDC. Co-investigator; Principal Investigator: Carol Hogue, Ph.D.
- 2004-2007 Physical Activity, Learning Styles, and Health Literacy. Funded by the CDC. Co-investigator; Principal Investigator: Julie Gazmararian, Ph.D.
- 2005-2006 Training and Dissemination of Measures of Community Nutrition Environments. Funded by the Robert Wood Johnson Foundation. Principal Investigator (\$ 48,000)
- 2004-2005 Development of Measures of Community Nutrition Environments. Funded by the Robert Wood Johnson Foundation. Principal Investigator (\$ 55,000)
- 2003-2004 Physicians' Practices and Attitudes About Colorectal Cancer Screening. Funded by the American Cancer Society, Hawaii Pacific Division. Principal Investigator (\$ 12,000)
- 2002-2004 Cancer Control Research Training in Multiethnic Hawaii. R25, Funded by the National Cancer Institute. Principal Investigator. (\$ 2,255,048) [funded through 2006; transferred to another PI when I left University of Hawaii]
- 2002-2004 Bayanihan (Working Together to Help): A Filipino Education Program. Funded by the National Institute of Diabetes, Digestive and Kidney Diseases. Evaluation of Organ Donor Education Program. Principal Investigator for Evaluation. (\$ 275,000) [funded through 2006; transferred to another PI when I left University of Hawaii]
- 2002-2004 National Lung Screening Trial – Honolulu Clinical Center. Funded by National Cancer Institute to Pacific Health Research Institute; (P. Balkin, Clinical Center PI). Co-Investigator. (Subcontract to U Hawaii: \$ 123,000)
- 2002-2003 Informed Consent Survey: Cancer Patients' Family Attitudes Toward Research and Privacy. Cooperative Agreement with National Human Genome Research Bioethics Program; Principal Investigator (\$ 29,000).
- 2002 Development of Psychosocial Measures of Calcium Intake, for Adolescent Bone Health Intervention Study. Funded by U.S. Department of Agriculture; subcontract from Purdue University Coordinating Center (D. Savaiano, PI). Subcontract PI (\$ 12,000).

- 2001-2003 REAL: The Hawaii Youth Movement Against Tobacco Use. Funded by the Hawaii Department of Health and the Hawaii Community Foundation/Tobacco Control Trust Advisory Board. Principal Investigator. (\$ 809,800)
- 2002-2004 Team PLUS: Preventing Liquor Underage Sales. Funded by City & County of Honolulu (Honolulu Liquor Commission); Principal Investigator (\$ 140,000).
- 2001-2003 Big Island PAU (Combating Underage Drinking), Evaluation Contract. Funded by the U.S. Department of Justice through a contract with the State of Hawaii Office of Youth Services. Principal Investigator. (\$ 86,936)
- 2000-2001 Hawaii Youth Movement Against Tobacco Use Planning Grant. Funded by the American Legacy Foundation. Principal Investigator. (\$ 153,302)
- 2000-2001 Evaluation and Planning Workshops. Robert Wood Johnson Foundation (subcontract from Coalition for Tobacco Free Hawaii). Principal Investigator. (\$ 31,230)
- 1999-2003 Activating Multiethnic Youth for Smoking Prevention. Funded by the National Cancer Institute, National Institutes of Health. Principal Investigator. (\$ 1,685,173)
- 1999-2003 Colon Cancer Risk Counseling for At-Risk Relatives. Funded by National Human Genome Research Institute, Natl. Inst of Health. Principal Investigator.(\$ 690,839)
- 1999-2001 Alcohol Sales Surveys, Assessing Underage Alcohol Purchases. Funded by Alcohol Drug Abuse Division, Hawaii Dept. of Health. Principal Investigator. (\$110,000)
- 1998-2002 Evaluation of Tailored Skin Cancer Prevention Strategies. Funded by the National Cancer Institute, National Institutes of Health. Principal Investigator. (\$ 1,456,585)
- 1998-2001 Combating Underage Drinking. Funded by the U.S. Department of Justice, contract with the State of Hawaii Ofc of Youth Svcs. Principal Investigator.(\$ 652,104)
- 1997-2001 Covering the Waterfront: Sun Protection Education at Swimming Pools. Funded by U.S. Centers for Disease Control and Prevention. Principal Investigator. (\$ 1,044,715 including supplements)
- 1997-1999 Strategic Planning for Statewide Tobacco Control, for Smokeless Hawaii Project. Funded by Robert Wood Johnson Foundation (through subcontracts from American Cancer Society, Hawaii Pacific Division). Principal Investigator. ( \$ 54,375)
- 1997-2001 Hawaii Family Colon Cancer Registry. Funded by National Cancer Institute. Dr. Loic LeMarchand, Principal Investigator; Co-Investigator. (\$ 1,414,460) [Supplement to K. Glanz for Pilot Study, \$ 34,156]
- 1994-1998 Genetic Testing for Colon Cancer in Multiethnic Hawai'i. Funded by National Center for Human Genome Research, National Institutes of Health (NIH). Principal Investigator. (\$ 419,205)
- 1997-1998 Pilot Study of Cancer Prevention for High-Risk Employees. Funded by Friends of the Cancer Research Center of Hawaii. Principal Investigator. (\$ 25,000)
- 1997-1999 Preventing Underage Drinking: Needs Assessment and Pilot Studies. Funded by Hawaii Department of Health. Principal Investigator ( \$ 135,006)

- 1995-2004 Reducing Minors' Access to Tobacco in Hawaii: Assessment and Intervention. Funded by Hawaii Department of Health & Food and Drug Administration. Principal Investigator. (\$ 1,231,392)
- 1995-1996 Evaluation of Community Health Projects. Funded by Hawaii Community Foundation. Principal Investigator. (\$ 28,987)
- 1994-1997 Skin Cancer Education to Protect Hawai'i's Children. Funded by Centers for Disease Control and Prevention. Principal Investigator (on subcontract from Hawai'i State Department of Health). (\$ 224,267)
- 1995-1996 Sun Exposure Diaries, Self-Monitoring and Feedback: A Pilot Study of Innovative Skin Cancer Prevention Strategies, Frederick E. Mohs Award from The Skin Cancer Foundation. Principal Investigator. (\$ 10,000)
- 1994-1998 Culture-Based Diabetes Program for Native Hawaiians. Funded by National Institute of Diabetes, Digestive and Kidney Diseases (NIDDK). Co-Investigator; Principal Investigator: Dr. Marjorie Mau (\$ 679,320)
- 1994-2004 Women's Health Initiative, Hawai'i Clinical Center. Funded by National Institutes of Health. Dr. David Curb, Principal Investigator: Co-Investigator. (\$ 9,297,062)
- 1991-1997 Nutrition Intervention and Colorectal Cancer Screening at the Worksite. Funded by National Cancer Institute (NCI). Dr. Barbara Tilley (Division of Biostatistics and Epidemiology, Henry Ford Health Sciences Center, Detroit), Principal Investigator: Co-Investigator. (\$ 2,282,252)

**MENTORING: CAREER DEVELOPMENT AWARDS (past 15 years)**

- 2022-2025 Elisa Pineda, PhD. Imperial College Research Fellowship (UK). Increasing healthy retail choices in Mexico. Primary mentor, Imperial College London (School of Public Health and Imperial Business School).
- 2021-2026 Stephanie Mayne, PhD. K01 HL155860. Integrating GPS, GIS, and Ecological Momentary Assessment to Determine the Effect of Home and Neighborhood Context on Adolescent Sleep. Primary mentor, Children's Hospital of Philadelphia/University of Pennsylvania.
- 2021-2023 Marjorie K. Mau, MD, MS. Distinguished Professor, University of Hawaii. Mentor for Robert Wood Johnson Foundation Leadership Development Program on the Culture of Health.
- 2019-2022 Jie Deng, PhD, RN, Associate Professor, School of Nursing, University of Pennsylvania
- 2019-2022 AnneMarie McCarthy, PhD. ACS Mentored Research Scholar Grant. Improving breast cancer risk prediction among high-risk women.
- 2016-2021 Shreya Kangovi, MD. K23 HL128837. Modifying behavioral response to failure among patients with cardiovascular risk factors. Primary mentor, University of Pennsylvania.
- 2013-2016 Terease Waite, MSN, JD. F31 NR013847. Real-time data capture of the experiences of blacks in cancer clinical trials. Co-mentor, pre-doctoral NRSA award. School of Nursing, University of Pennsylvania.
- 2012-2015 Baligh Yehia, MD.K23 MH097647. Evaluating patient retention in HIV Care. Co-mentor,

- Mentored Patient-Oriented Research Career Development Award. University of Pennsylvania.
- 2012-2017 Elizabeth Lowenthal, MD. K23 MH095669. Targeted monitoring and determinants of Adherence in adolescents with HIV. Co-mentor, Mentored Patient-Oriented Research Career Development Award, Childrens Hospital of Philadelphia/University of Pennsylvania.
- 2011-2016 Sandra Amaral, MD. K23 DK083529. Assessing an adherence intervention for adolescents With kidney transplants. Co-mentor, Mentored Patient-Oriented Research Career Development Award, Childrens Hospital of Philadelphia/University of Pennsylvania.
- 2011-2014 Charmaine Smith-Wright, MD. Scholar Award, Harold Amos Medical Faculty Development Program, from Robert Wood Johnson Foundation. Mentor, University of Pennsylvania.

### HONORS AND AWARDS

- 2023 Elected Fellow, College of Physicians of Philadelphia
- 2023 #7 in list of most-cited faculty researchers at the University of Pennsylvania  
<https://www.thedp.com/article/2024/01/penn-most-cited-researchers>
- 2006-2020 Thomson Reuters/ISI (Clarivate as of 2017) Highly Cited Researcher: ranking among the top 1% most cited in my subject field (Social Sciences, general) over more than 20 years of publication, earning the mark of exceptional impact. Named to The World's Most Influential Scientific Minds 2015.
- 2023 University of Pennsylvania Health System (UPHS) Health Equity Initiative Award for Research, for "Studying the impact of financial incentives on low-income consumers' food purchases"
- 2023 Top Scientist List (Medicine), research.com; <https://research.com/scientists-rankings/medicine>
- 2022, 2023 Top Female Scientist, research.com; <https://research.com/u/karen-glanz>
- 2015 Recognized as a Health Promotion Pioneer, in Terry P, *Amer J Health Promotion* 2015; 30(1)
- 2013 Elected Member, Institute of Medicine (IOM) of the National Academy of Sciences (National Academy of Medicine/NAM as of 2015)
- 2010 Best Practices in Distance Learning Programming- Bronze, from the United States Distance Learning Association (USDLA) for NEMS - Nutrition Environment Measures Surveys Online Training. With Centrax Corporation (online instructional developer)
- 2008 Fellow, Society for Behavioral Medicine
- 2008 Healthcare Heroes Award (Community Outreach Category), *Atlanta Business Chronicle* Healthcare Heroes Awards
- 2007 Elizabeth Fries Health Education Award, from the James and Sarah Fries Foundation
- 2007-2008 Who's Who in America, 62<sup>nd</sup> Edition 2008
- 2006 Who's Who Among America's Teachers 2006/2007, 11<sup>th</sup> Edition
- 2006 "Community Health Hero Award," from the Rural Health Collaborative of Southwest Georgia
- 2005 Who's Who in Health Sciences Education
- 2004-2009 Georgia Cancer Coalition Distinguished Research Scholar
- 2003 Leadership and Commitment Certificate, Hawaii Community Foundation and Hawaii Tobacco Prevention and Control Trust Fund; for tobacco prevention programs and research
- 2003 Outstanding Education Program Award, Wisconsin Recreation Association, for *Pool Cool* Skin Cancer Prevention Program
- 2003 Merit Award of Appreciation, from Coalition for Tobacco-Free Hawaii; for "REAL: Hawaii Youth Movement Against Tobacco Use"
- 2002 Outstanding Youth Advocate Organization Award, from the Hawaii State House of Representatives, 2002; for "REAL: Hawaii Youth Movement Against Tobacco Use"
- 2001 Award for Excellence in Education, American Academy of Dermatology – for *Pool Cool* Skin Cancer Prevention Program
- 2000 Award of Excellence in Video Production – Other, Social Issues; for "A Roll of the Dice" video on consequences of underage drinking (Videographer Awards 2000 Competition, selected from 2,386 entries from the U.S. and abroad)

1999	Telly Award Winner 1999 for "A Roll of the Dice" video on underage drinking (20 <sup>th</sup> Annual Telly Awards - a national competition honoring outstanding non-broadcast video/film)
1996	Mohan Singh Award (Outstanding Contribution to Humor in Health Education), American Public Health Association - Public Health Education and Health Promotion (PHEHP) Section
1992	Mayhew Derryberry Award (Outstanding Contributions to Theory and Research in Health Education), American Public Health Association - Public Health Education and Health Promotion (PHEHP) Section [with Fran Lewis & Barbara Rimer]
1992	Who's Who of American Women, 18th Edition
1987-1988	Study Leave, awarded by Temple University
1984	Early Career Award, American Public Health Association - Public Health Education Section
1984	Summer Research Fellowship, Temple University
1984	College of HPERD Nominee, University Research Award, Temple University
1983	Outstanding Community Service Award, S.E. Pa. High Blood Pressure Control Program
1982	Who's Who in the East, 13th Edition
1982	Who's Who of American Women, 13th Edition
1981	Outstanding Young Women of America
1975-1977	U.S. Public Health Svc. Traineeship for Behavioral Sciences in Health Education
1973	University of Michigan College of Literature, Science, & Arts, Honors Convocation
1970	National Merit Scholarship Finalist

## SERVICE ACTIVITIES

### University

#### University of Pennsylvania

Faculty Director, Israel Program/Wright Fund, School of Nursing, 2024-2026  
 Member, University Task Force on Antisemitism, 2023-2024; Work group leader, Listening Sessions and University Community Survey  
 Member, Operations Committee of CRTEC (Cancer Research, Training and Education Coordination) of the Abramson Cancer Center, 2024-2026  
 Member, Community Engagement leadership team, School of Nursing, 2023-2024  
 Speaker, Implementation Science: Past, Present and Future. PISCE@LDI and LDI, June 2023  
 Member, Honorary Degree Committee, University of Pennsylvania, 2020-2024  
 Member, Departmental (DBEI) Committee on Appointments and Promotions (COAP), 2009-2010, 2020-2023  
 Member, Executive Committee of the CCEB (Center for Clinical Epidemiology and Biostatistics), 2020-2023  
 Reviewer, pilot grants, Abramson Cancer Center at UPenn, 2022 and 2023  
 Reviewer, New CCEB Research Programs, CCEB, 2023  
 Co-chair, DBEI strategic planning working group on Investing in our People and Creating a Cohesive Hybrid Environment, 2022-23  
 Faculty Speaker, COVID-19 Population Science Journal Club, April 29, 2020  
 Guest Speaker, School of Nursing Alumni Evening, Innovation for Life and Living, Lancaster PA, 2019  
 Member, Advisory Group, Penn Center for Cancer Care Innovation (PC3I), 2019-2023  
 Search Committee, Chair of the Department of Family Medicine and Community Health, PSOM, 2019  
 Recreation Advisory Committee, 2018-2020  
 Leadership Advisory Council, Department of Biostatistics, Epidemiology and Informatics (DBEI), 2019-2021  
 Chair, Women's Leadership Development Committee, DBEI, 2018-2019  
 University Faculty Senate Executive Committee, 2015-2019  
 Steering Committee, PenNSAM Center (Nutrition in Science and Medicine), 2019-2022  
 Leadership Team, Penn Center for Community Health Workers, 2013-present  
 Member, Steering Committee, Center for Global Women's Health, UPenn School of Nursing  
 Member, Executive Committee, Leonard Davis Institute (LDI) for Health Economics, 2015-2019  
 Member, Faculty Recruitment Committee, Division of Epidemiology, CCEB, 2012-2019  
 Member, Faculty Search Committee for Biostatistics Division Chief, DBEI, 2016-2019  
 Judge, Community Scholars Symposium Grant Competition, "The Intersection of Community, Academia, and Grantmaking," 2019  
 Reviewer, Center for Environmental Exposures and Toxicology (CEET) pilot grants, 2019  
 Mentor, WeissLabs Tech Development Project, 2018-2019  
 Speaker, Epidemiology Division, DBEI/CCEB Research Day, 2019  
 Guest speaker, Kings College House, 2019  
 Guest speaker, Penn Post-Bac Social Justice in Medicine Club, 2017  
 Chair, Committee to review the Master of Science in Health Policy Research (MSHP) degree, 2014-2015  
 Center for Public Health Initiatives (CPHI) Advisory Committee, 2013-2018  
 Chair, Research Committee, School of Nursing, 2012-2014; Co-Chair 2011-2012  
 Member, Awards Committee, CCEB, 2013-2016  
 Member, Faculty Search Committee, School of Nursing, 2015-2016  
 Member, Leadership Team, UPenn Implementation Science Work Group, 2011-2012; Co-Chair, 2013  
 Steering Committee, Center for Public Health Initiatives (CPHI), 2009-2012  
 Member, Committee on Appointments and Promotions (COAP), School of Medicine, 2010-2013  
 Member, Executive Committee, Biobehavioral Research Center, School of Nursing, 2010-2011

Member, Personnel Committee, School of Nursing, 2009-2018  
Member, Impact Committee, Center for Clinical Epidemiology and Biostatistics (CCEB), 2010-2011  
Reviewer, Institute for Diabetes, Obesity & Metabolism Pilot Grant Proposals, 2012  
Reviewer, Center for Public Health Initiatives (CPHI) Pilot Research Grant Proposals, 2010, 2011  
Reviewer, Community Engagement pilot grants for UPenn CTSA, 2011  
Reviewer, RWJF Health and Society Scholars Program, pilot study applications, Leonard Davis Institute, 2009  
Member, Graduate Group in Epidemiology and Biostatistics, 2009-present  
Member, Graduate Group in School of Nursing, 2009-present

### **Emory University**

Steering Committee for the Second RSPH Building, 2006-2008  
Appointments, Tenure and Promotion Committee, Rollins School of Public Health (RSPH), 2005-2009  
Member, Faculty Search Committee, Department of Behavioral Sciences and Health Education (BSHE), RSPH, 2007-2009 (Chair of subcommittee for Chronic Disease)  
Member, BSHE-Global Health Faculty Search Committee for Global Tobacco Control, 2008-2009  
Guest speaker, Dean's Council Meeting, April 2006  
Research Advisory Committee, Rollins School of Public Health (RSPH), 2004-2005  
Guest speaker, Dean's Office Staff breakfast, September 2005  
Featured in 30<sup>th</sup> Anniversary Video, Rollins School of Public Health (RSPH), 2005  
Member, Doctoral Program Committee, Department of Behavioral Sciences and Health Education, Rollins School of Public Health, 2005-2006  
Chair, Search Committee, Department of Behavioral Sciences and Health Education, Rollins School of Public Health, 2004-2005  
Member, Search Committee for Department Chair, Department of Behavioral Sciences and Health Education, RSPH, 2005-2006  
Member, Search Committee for Obesity professorship, Rollins School of Public Health, 2005-2006  
Steering Committee, Population Sciences Program, Winship Cancer Institute, 2004-2005

### **University of Hawai'i**

Chair, Departmental Personnel Committee, Cancer Research Center of Hawaii, 2002-2004  
President's Task Force on Research Infrastructure, University of Hawaii, 2001  
Executive Committee, University of Hawaii Association of Research Investigators (UHARI), 2001-2003  
Member, Search Committee, Associate Dean for Public Health, John A. Burns School of Medicine, 2000-2003  
Member, CRCH Developmental Funds Review Committee, 2000-2003  
Member (outside), PhD Thesis Committee in Cell and Molecular Biology, Jennifer Kimbell, 2001-2003  
Judge, RCUH Outstanding Employee of the Year awards, 2001  
Member, CRCH Shared Resources Oversight Committee, 2000-2004  
Member, Nutrition Support Shared Resource Oversight Committee, 2000-2002  
Member, CRCH Computer Committee, 2000-2001  
Member, Cancer Information Service of Hawaii, Advisory Committee (CRCH), 1995-2001  
Member, Tenure and Promotion Review Committee (TPRC) Panel #9, University of Hawaii, 2000  
Member, Executive Committee, Cancer Research Center of Hawai'i, 1993-1997, 2001-2003  
Member, CRCH Department Personnel Committee, 1995-2000, 2001-2002  
Chair, Tenure and Promotion Review Committee (TPRC) Panel #15, University of Hawaii, 1997  
University Research Council, 1996-1999  
Moderator, Faculty Retreat, Cancer Research Ctr of Hawaii, 1998; Chair of Retreat Planning Committee, 1999  
Clinical Training Program Advisory Committee (CRCH), 1995-97  
Search Committees for: Director, Prevention and Control Program (1995-1996, 2000), CIS Project Director (1995); CIS Outreach Coordinator (1995); Administrative Officer (1995); other faculty positions, 1995-2001  
Chair, Advisory Committee for Hawai'i Leadership Summit on Breast Cancer, 1993-1994

### **Elected Offices/Appointed Leadership Positions**

Member, NHLBI Advisory Committee (DHHS Secretary-level appointment), NIH, 2016-2021  
Co-Chair, Trans-NIH Workshop on Food Insecurity, Neighborhood Food Environments, and Health Disparities, 2020-2022  
Executive Board, Prevention Research Centers Program, 2015-2016  
Member, Task Force on Community Preventive Services (CDC Director Appointment), 2006-2016  
Priorities and Updates Subcommittee, 2006-16; Methods Subcommittee, 2008  
Member, Board of Directors of The Health Project, [www.thehealthproject.com](http://www.thehealthproject.com), 2010-2012

Chair, Policy Committee, National (CDC) Prevention Research Centers Program, 2008-2009  
 Lead Organizer of the NCI/Emory meeting, "Developing Consensus Measures of Skin Cancer Prevention Behaviors: An Investigators' Workshop," Atlanta, December 2005  
 Chair, Steering Committee, CDC Foundation Young Investigator Awards, 2005-2008  
 Board of Directors, Beauty Becomes You Foundation, 2006-2007  
 Board of Directors, Hawaii Outcomes Institute, 2000-2004  
 Panel of Distinguished Experts, Center for the Advancement of Health (CFAH), 2000-2003  
 Governing Council Member, Public Health Education and Health Promotion (PHEHP) Section of American Public Health Association (APHA), 1994-1996  
 Board of Governors, University of Michigan School of Public Health Alumni Society, 1988-1994  
 Co-Chair, Awards Committee, Public Health Education (PHE) Section of American Public Health Association (APHA), 1991-1992; Member, Awards Committee, 1994  
 Secretary, Public Health Education (PHE) Section, Amer Public Health Assoc (APHA), 1987-1988  
 Co-Chair, Philadelphia Regional SPSSI Chapter, 1987-1988  
 Section Councilor, PHE Section, APHA, 1984-1987  
 Chair, APHA Journal Action Task Force, PHE Section, 1985-1987  
 Nominating Committee, Nutrition Council of Pennsylvania; member, 1987-1988; chair, 1988-1989  
 Section Newsletter Editor, PHE Section, APHA, 1983-1984  
 Chair, Challenge Grants Committee, PHE Section, APHA, 1982-83

### **Invited/Representative Conference Participation**

NIH COVID-19 Community Engagement Forum: A Call to Action, NIH Director and NIMHD/NHLBI Forum (virtual), July 2020  
 Edward S. Cooper Leadership Development Program, The Wharton School of Business and Perelman School of Medicine, November 2017.  
 Skin cancer prevention, physical activity and climate change, NCI, Rockville MD, September 2018  
 Advancing Nutrition Education, Training and Research in the Medical Community, NHLBI, Rockville, MD, September 2017  
 Thought Leaders Forum, Robert Wood Johnson Foundation, Princeton, NJ, December 2007.  
 State of the Science Conference: Evaluation of Policy and Environmental Change for Heart Disease and Stroke Prevention, the National Forum for Heart Disease and Stroke Prevention, Boulder, CO, August 2007.  
 Think Tank on Health Disparities in Cancer (American Association of Cancer Research): Planning Committee and Chair, Behavioral Science Session; Philadelphia PA, October 2006.  
 Taking Research to Practice: An Exploratory Meeting; Directors of Health Promotion and Education & CDC's Prevention Research Centers Program, July 2006  
 Shade Planning for America's Schools, for CDC Division of Cancer Prevention and Control, 2003  
 Environmental, Policy and Pricing Interventions to Increase Fruit and Vegetable Intake, CDC DNPA, 2002  
 Summit on Promoting Healthy Eating and Active Living, Washington, D.C., June 2000.  
 Theory and Action for Health, sponsored by CDC, WHO, and HEA of the U.K., London, March 2000.  
 Partners in Prevention, Skin Cancer Prevention Conference, CDC/American Academy of Dermatology, 1996  
 Concept review for Nutrition Interventions in Primary Care, National Cancer Institute, DCPC, Feb. 1994  
 NIH Research Agenda Conference on Modification of Dietary Behavior, 1989  
 APHA representative to National Cholesterol Education Program Planning Workshops; NHLBI, 1985  
 Research Agenda Conference on Health Hazard Appraisal/Health Risk Appraisal, Wayzata, Minnesota, 1986  
 Workshop on Pre-Pregnancy Nutrition, March of Dimes; Univ. of Maryland, 1987  
 National Center for Health Education (NCHE) representative to Surgeon General's Workshop on "Children with HIV Infection [AIDS] and Their Families;" Philadelphia, 1987.

### **Committees, Advisory Boards, and Reviews**

Reviewer and Co-Chair, NIH ad hoc study section: HDM SEP review meeting (ZRG1 HDM V02), March 2022  
 Member, Working group of the NIH Council of Councils on Behavioral and Social Sciences Research (BSSR) Integration, 2021-2022  
 Member, National Academy of Sciences, Committee on Environmental Impact of Currently Marketed Sunscreens and Potential Human Impacts of Changes in Sunscreen Usage, 2021-2022

Member, Awards Committee, Interdisciplinary Association of Population Health Sciences (IAPHS), 2020

Member, Hawaii Task Force – PASS (Public Access to Sunscreens) Coalition, 2020-2021

Member, Advisory Committee for Healthy Retail Convening, Center for Science in the Public Interest, 2019

Reviewer, *Implementation Science at a Glance* monograph, National Cancer Institute, 2018

Reviewer, National Academy of Sciences, Pilot Activity on Scientific Misinformation, 2018

Reviewer, Tryg Foundation, Copenhagen-Denmark, Skin Cancer Prevention research grant application, 2015

Member, Committee on Public Health Approaches to Reduce Vision Impairment and Promote Eye Health, Institute of Medicine, 2015-16

Reviewer, Institute of Medicine report “Review of WIC Food Packages,” 2015

External Advisory Committee, Oregon Clinical and Translational Research Institute, Oregon Health Sciences and University (OHSU), Portland, Oregon, 2015-2016

International Advisory Board of the *Theories and Techniques of Behaviour Change* Project, 2014-2017, Led by Prof Susan Michie, University College London

Mock site visitor, Public Health Accreditation – Philadelphia Department of Public Health, September 2014

Invited participant, President’s Cancer Panel Workshop on “Cancer communication in the digital era: Opportunities and challenges,” San Diego, June 2014.

Member, Committee on Assessment of Agent-Based Models to Inform Tobacco Product Regulation, Institute of Medicine, 2014

Member, Expert Panel, Decreases in childhood obesity, National Collaborative on Childhood Obesity Research (NCCOR), December 2013

Reviewer, Robert Wood Johnson Foundation grant applications, Behavioral Economics for Health Program, August 2013

Member, Expert Panel, Assistant Secretary of DHHS for Planning and Evaluation (ASPE), *Policy, Systems, and Environmental Strategies for Improving Health*, convened by Altarum Institute, 2013.

Expert Reviewer, “What Works for Health”, initiative of the County Health Rankings and Roadmaps Program; University of Wisconsin and Robert Wood Johnson Foundation, 2013.

Member, Expert Panel for Front of Pack Labeling and Shelf Labeling Programs, USDA SNAP Program, 2013.

Reviewer, Research project grant, Health Research Council of New Zealand, 2012

Reviewer, Dissemination and Implementation Research study section [DIRH], NIH, June 2012

Member, Scientific Advisory Board, University of Arizona Comprehensive Cancer Center, 2011-2012

Participant, American Cancer Society National Home Office, Development of Communication Strategy For Skin Cancer Prevention Media Campaigns, 2011

Reviewer, Institute of Medicine draft report “Front-of-Package Nutrition Rating Systems and Symbols: Promoting Healthier Choices,” 2011

Member, Expert Panel for Promising Practices Assessment of the National Breast and Cervical Cancer Early Detection Program (NBCCEDP); US Centers for Disease Control and Prevention, 2011-2012

Reviewer, grant proposal, National Cattleman’s Beef Association (NCBA), 2011

Evaluation Committee (chair), Institute for Communication and Health at the University of Lugano, Lugano, Switzerland; 2010-2011

Nutrition Advisory Board, Au Bon Pain restaurants, 2007-2012

Nutrition Research Scientific Advisory Committee (NRSAC), National Dairy Council, 2009-2012

Reviewer, *Dietary Guidelines for Americans* (DGA) Policy Document, U.S. Department of Agriculture, 2010

Member, Stage 2 Distinguished Editorial Panel, Science of Behavior Change grant reviews, NIH, 2010

Expert Panel, Community Based Obesity Surveillance Project, Centers for Disease Control and Prevention, 2010

Reviewer, grant applications for RC4 Community-Linked Research Infrastructure, NIH, 2010

Reviewer, Career Development Award Application, Einstein-Montefiore Institute for Clinical and Translational Research, 2010

Reviewer, Institute of Medicine draft report “Strategies to Reduce Sodium Intake in the United States,” 2009

Internal Reviewer, Grant Application to Improve Healthy Lifestyles, LA County Department of Health, 2009

Reviewer, Common Community Measures for Obesity Prevention (COCOMO) – Measures Report, DNPAO, Centers for Disease Control and Prevention, 2008

Advisory Board, Directions in Cancer Control and Health Promotion, American Cancer Society (National Home Office), Atlanta, July 2008.

Reviewer, Ctr for Excellence in Cancer Communication Res (CECCR) applications, Natl Cancer Institute, 2008  
Expert Panel, GIS Childhood Obesity Project, Robert Wood Johnson Foundation, 2008-2009  
Reviewer, grant applications for the Medical Research Council, United Kingdom, 2007-2008  
Member, External Advisory Committee, U Alabama-Birmingham Clinical Nutrition Research Unit, 2007-2011  
Reviewer, CDC's Healthy Workplaces Goal Action Plan, 2007  
Expert Advisor, YMCA of the USA/YMCA Activate America Project; Community Healthy Living Index, 2007  
Reviewer, Sociocultural Committee, California Breast Cancer Research Program, 2007  
Reviewer, grant application for the Netherlands Organisation for Health Research and Development, Ministry of Health, Welfare and Sport, 2007  
External Reviewer for Promotion and Tenure Actions – various universities including Thomas Jefferson University (Philadelphia), State University at Buffalo (NY), University of North Carolina at Chapel Hill (UNC), University of Hawaii; University of Haifa (Israel), University of Minnesota; Florida International University (Miami, FL); University of Texas; University of Lugano (Switzerland); University of Otago (New Zealand); University of Waterloo (Ontario, Canada); University of Sydney (Australia); University of Michigan; University of Massachusetts; Johns Hopkins University; University of Colorado; Virginia Commonwealth University; University of Pennsylvania; University of Washington; Fred Hutchinson Cancer Research Center; University of California at Los Angeles; Tulane University, University of California at San Diego; Georgetown University; University of California at Davis; New York University School of Medicine; New York University Steinhardt School; 1995-present  
Member, Site Visit Team, Cancer Center Support Grant, NCI; Memorial Sloan-Kettering Cancer Ctr, May 2007  
Member, PRC Policy Committee, National Prevention Research Centers Program, 2007-2008  
Expert Reviewer, National Fruit and Vegetable Program's "products promotable criteria," Division of Nutrition and Physical Activity, CDC, 2007  
Review Panel, External portfolio review, Division of Birth Defects and Developmental Disabilities, CDC 2007  
Expert Reviewer, American Dietetic Association (ADA) Standardized Language Task Force, 2006-07  
Member, Nutrition Environment Measures Working Group, National Cancer Institute/NIH, 2006-07  
Reviewer, RTIPS evidence-based intervention programs (Research Tested Intervention Programs), National Cancer Institute, 2006-07  
Expert Panel on Chronic Disease Prevention in Worksites; Partnership for Prevention, 2006-07  
Reviewer, Fellowship Application, Vic Health Foundation, Melbourne, Victoria Australia, 2006  
Reviewer, External Review Report, Applied Epidemiology and Cancer Control Branch, Division of Cancer Prevention and Control, CDC, 2006  
Reviewer, Grant Applications for the Healthy Eating Research Program, Robert Wood Johnson Foundation/University of Minnesota, 2006-2008  
Member, Scientific Review Committee, American Association for Cancer Research (AACR) 5<sup>th</sup> Annual International conference on Frontiers in Cancer Prevention Research (November 2006, Boston)  
Expert Reviewer/Commentator, Health Behavior News Service, Center for Advancement of Health (CFAH), 2004-2007  
Track Chair for 2006 Society for Behavioral Medicine Annual Meetings; for Population Health, Policy, and Advocacy Track  
Reviewer, Environmental & Contextual Factors Track; 2006 Society for Behavioral Medicine Annual Meetings Lombardi Cancer Center, Georgetown University; Advisory Committee for Cancer Prevention and Control Program, 2005  
American Cancer Society (National Home Office), Behavioral Research Center Advisory Workgroup, 2005  
Member, Behavioral Sciences Task Force, American Association for Cancer Research (AACR), 2003-2006  
Coordination Team, Guide to Community Preventive Services (CDC), Worksite Obesity Supplementary Review, 2005-2007  
Advisory Panel, Steps to a Healthier US, Centers for Disease Control and Prevention (CDC), 2004-2005  
Site Visitor, Accreditation Team; Council on Education for Public Health (CEPH), University of Texas-Houston School of Public Health, 2004  
Grant Reviewer, Dutch Cancer Society, 2004  
Grant Reviewer, Genesis Oncology Trust (a cancer research funding charity), New Zealand, 2003  
Reviewer, National Research Initiative (NRI) Competitive Grants Program, U.S. Department of Agriculture, Cooperative State Research, Education, and Extension Service, 2003

Policy Advisory Committee, Active Living Research Program, Robert Wood Johnson Foundation, 2003  
Advisory Committee, Nursing Partnership Center for the Advancement of Health Disparities Research, University of Washington and University of Hawaii, 2002-2006  
Grant Reviewer, Active Living Research Program, RWJF and San Diego State University, 2003  
Consultation Group member, Nutrition Reviews, Community Preventive Services Guide/CDC, 2002-2003  
Reviewer, McMaster University Evidence-Based Practice Center report "Diffusion and Dissemination of Evidence-Based Cancer Control Interventions", 2002  
External member of doctoral dissertation committee (with limited-term graduate faculty appointment), Dept of Health Behavior & Health Ed, School of Public Health, UNC-Chapel Hill, 2002-2005  
Reviewer, Speaking for Health: Assessing Health Communications Strategies for Diverse Populations, for the Institute of Medicine, 2002  
Site Visitor/Reviewer, SunSmart Program, for the VicHealth Foundation, Melbourne, Victoria, AUS, 2002  
Reviewer, Pilot grant proposals for the University of Michigan Diabetes Research and Training Center, 2002  
Thesis Examiner, University of Toronto, Institute of Medical Sciences, Canada, 2002  
Member, Kaiser Care Management Institute, Weight Management Initiative Advisory Committee, 2002  
Senior External Advisor, "Improving bone health in adolescents through targeted behavioral intervention," funded by US Department of Agriculture (Purdue University, Coordinating Center), 2001-2005  
Reviewer, Evidence Review on Nutrition Counseling in Primary Care, Res Triangle Institute/AHRQ, 2001  
Grant Reviewer, Robert Wood Johnson Foundation, 2000-2001  
Chair, Cancer Track, Program Committee 7th International Congress of Behavioral Medicine (Helsinki), 2002  
Co-Promotor, Doctoral dissertation (Ingrid Steenhuis), Department of Health Promotion and Education, University of Maastricht, Maastricht, the Netherlands, 1998-present  
Reviewer for North Carolina Cancer Control Advisory Board's Plan for 2001-2006, 2000  
Thesis Examiner, Cancer Prevention Research Centre, Univ. of Queensland, Brisbane QLD, Australia, 2000  
Thesis Examiner, University of Newcastle Department of Psychology, Newcastle NSW, Australia, 2000  
Coordination Team for Cancer Chapter (member), *U.S. Community Preventive Services Guide*, Centers for Disease Control & Prevention, 1999-2001  
Research Project Grant Assessor, National Health and Medical Research Council of Australia, Health Enhancement Standing Committee, 2000 and 2001  
Research Agenda Advisory Committee, National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control & Prevention (CDC), 2000  
Reviewer, Grant Applications, Health Research Council of New Zealand, 1999-2001  
Search Committee, Chief of Health Promotion Research Branch, National Cancer Institute, 1999-2000  
Chair, Cancer Track, Program of the 6th Intl Congress of Behavioral Medicine, (QLD, Australia), 1999-2000  
Site Visitor, Accreditation Team; Council on Education for Public Health (CEPH), U of Illinois-Chicago, 1999  
Grant Reviewer, Robert Wood Johnson Foundation, 1999  
Work Group on Research Agenda for Nutrition and Physical Activity, NCI, 1998  
Research Agenda Planning Group, Women's CVD Health Network, CDC, 1998  
Behavioral Medicine Study Section, NIH, standing member 1997-2000 (Ad hoc member 1995-1996)  
Chair, Site Visit Team, UCLA Program Project Grant in Cancer Control, 1997  
Member, Scientific Review Group (SRG), Subcommittee E of National Cancer Institute, April 1997  
Co-Promotor, Doctoral dissertation (Hans Brug), Department of Health Promotion and Education, University of Maastricht, Maastricht, the Netherlands, 1995-1997  
Working Group on Behavioral Research in Cancer Prevention and Control, NCI, NIH, 1996  
Best Practices Advisory Committee, for HealthCare Forum, development of community partnerships workbook for California Wellness Foundation, 1996  
External examiner-doctoral thesis, Graduate Committee, Australian Natl Univ, Canberra, Australia, 1996  
Reviewer, Victoria Health Promotion Foundation (Australia), grant proposals, 1993 and 1995-1996  
Grant Review Panel, California Breast Cancer Research Program, 1995  
Editorial Advisory Panel, First Annual Report on Public Health Service Evaluations, Office of the Assistant Secretary of Health, PHS, DHHS, 1994  
Reviewer, Research Development Program Grants, American Cancer Society, 1994 and 1996  
Five-A-Day Advisory Committee, NCI Cancer Information Service Research Consortium, 1994-1995  
Planning Committee, Distance Education Programs for Public Health Nutritionists, Centers for Disease

Control, Division of Nutrition, 1994  
Reviewer, U.S. Department of Agriculture, Optimal Nutrition Grants Program, April 1994  
Reviewer, National Cancer Institute of Canada, grant proposals, 1994, 1996-1997  
External examiner (opponent) for doctoral thesis defense, Department of Public Health, University of Sydney, Australia, April 1994  
Advisory Panel, National Project for a Strategic Plan for Changing the American Diet, 1993  
Health Education Consultation: Centers for Disease Control's Health Promotion Efforts, 1993  
External examiner (opponent) for doctoral thesis defense, Department of Health Education, University of Limburg, Maastricht, the Netherlands, November 1993  
Special Review Group, Asthma Academic Awards and Tuberculosis Academic Awards, NHLBI, 1993  
Expert Advisory Panel, Natl Project for a Strategic Plan for Changing the American Diet, 1993  
Member, Site Visit Team, Cancer Center Support Grant, NCI; UCLA Jonsson Cancer Ctr, May 1993.  
External examiner for Ph.D. thesis, Dept. of Community & Prev Med., Univ of Adelaide, March 1993  
Reviewer, Intervention Plan for Maine Cancer Control Program, Data-Based Intervention Research (DBIR) Program, National Cancer Institute, 1992  
Advisory Board Member, Worksite Bladder Cancer Screening Research Program, Div of Population Sciences, Fox Chase Cancer Center, Philadelphia, 1992  
Reviewer, Prevention Center Grant Supplementary Proposals, Centers for Disease Control, 1992  
External examiner for Ph.D. thesis, Div. of Applied Human Nutrition, College of Family and Consumer Studies, University of Guelph, Ontario, Canada, April 1992  
Co-Director, Society for General Internal Medicine, Nutrition Survey of members, 1991-1992  
Reviewer, National Institute of Occupational Safety and Health (NIOSH) Farm Cancer Control Demonstration Projects, 1991-1992  
Chair, Special Review Committee, Human Development and Aging, NIH, December 1991  
Reviewer, Abstracts for Society for Behavioral Medicine 1992 Meeting, 1991.  
Member, Site Visit Team, Cancer Control Program Project, NCI, NIH; UCLA Jonsson Cancer Center, Div. of Cancer Prevention, November 1991.  
Member, Technical Review Group, NCI, NIH; Women's Health Trial--Minority Clinical Centers, July 1991.  
Member, Society for General Internal Medicine, Nutrition Task Force, 1991.  
Member, Site Visit Team, Cancer Control Program Project, NCI, NIH; Division of Preventive and Behavioral Medicine, University of Massachusetts Medical Center, March 1991.  
Special Review Group, Division of Cancer Prevention and Control, NCI, 1990  
Special Review Group, Small Business Innovative Research Grants, NIH, Dec 1989, March 1990, March 1993  
Member, Evaluation Advisory Group, Project LEAN, Kaiser Family Foundation, September 1989  
Member, Review Panel, Community-State Projects, Project LEAN, Kaiser Family Fdn, June 1989  
Member (ad hoc), Behavioral Medicine Study Section, NIH, June 1989  
Chair, Review Group, Office of Cancer Communications Support Contract, NCI, 1989  
Abstract Review Committee, Soc for Nutrition Education Annual Meeting, 1989  
Member, Site Visit Team, University of North Carolina Lineberger Cancer Center, NCI, NIH, 1989  
Working Group on "Clinical Opportunities for Diet Modification for the Busy Physician," NCI, NIH, 1988  
Expert Panel, U.S.D.A., Food and Nutrition Service, "Effective nutrition education for WIC clients," 1988  
Special Review Group, SBIR Grants, Phase I & II, National Institutes of Health (NIH), July 1988  
"Prescribe For Health" Working Group, National Cancer Institute (NCI), NIH, 1988  
Member, Site Visit Team, UCLA Jonsson Comprehensive Cancer Center, NCI, NIH, 1988  
Special Review Group, SBIR Grants, Phase I, NCI, NIH, March 1988  
Special Review Group, Cancer Education Grants, NCI, NIH, 1988  
Planning Committee, Transfusion Medicine Academic Awards (TMAA) Annual Meeting; 1987-1989

 Guest on Knowledge @ Wharton Radio, Meat, the Environment and the New Dietary Guidelines, January 2014  
 Interviewed for *BBC Futures*, Supermarket Psychology, August 2014  
 Interviewed for *Nature Medicine* supplement, Skin Cancer Prevention, August 2014  
 Guest on Knowledge @ Wharton Radio, Sunscreen and Skin Cancer, August 2014  
 Featured column, Philadelphia Inquirer, June 1, 2014. "Well Being: Scientist embraces challenges."  
[http://www.philly.com/philly/health/20140601\\_Well\\_Being\\_Scientist\\_embraces\\_challenges.html#ex9IT9PFsKjOK86g.03](http://www.philly.com/philly/health/20140601_Well_Being_Scientist_embraces_challenges.html#ex9IT9PFsKjOK86g.03)  
 Guest on Radio Times, WHYY Public radio, June 12, 2014: Fitness, training, motivation and injury prevention  
<http://whyy.org/cms/radiotimes/2014/06/12/staying-fit-through-life/>  
 Interview, Grocery store marketing, Marketplace Report (American Public Radio), 2011  
 Numerous media interviews and articles ([www.ABCnews.com](http://www.ABCnews.com), [www.upi.com](http://www.upi.com), Weight Watchers magazine, XM Satellite Radio's ReachMD, KDKA Radio Pittsburgh) – Healthy Menu Project [May 2007]  
 Moderator, Press Conference, Frontiers in Cancer Prevention Research Conference, Boston, November 2006  
 Guest on "Drinking and the Holidays," radio special on Crater 96 and 4 other stations, December 2000  
 Appearance on "Here's to Your Health," Cable TV show, Hawai'i Department of Education, March 1996  
 Interviews on minors' access to tobacco/alcohol, various Hawaii network TV and radio stations, 1996-2002  
 Training Segment on "NDC Today" video, Topic--Changing Dietary Behavior; National Dairy Council, 1991.  
 Interview, Australian Broadcasting Corporation (ABC) radio, promoting healthy eating, February 1991  
 Featured speaker on "Health and Wellness: Changing Harmful Health Habits," RECNET, National Rural Electrical Cooperative Association, 1989.  
 Featured guest on "Newsprobe," WTAf-TV, Philadelphia; Addictions and Dependencies; 1984.

### **CONSULTING**

2017 Research Quality Review for RAND Health, Obesity Prevention; RAND Corporation

- 2016-2018 Evaluation of the Michigan Good Food Fund (MGFF), in collaboration with Samuels Center
- 2015-2016 Research review team, AAAS (American Association for the Advancement of Science); Impact of Meals Eaten at Home on Diet, Health, and Psychosocial Factors
- 2010-2012 Scientific Advisory Committee, Emory Prevention Research Center, Emory University
- 2010-2012 Consultant, Cancer Prevention and Control Network, "4CNC", Univ of North Carolina at Chapel Hill, Gillings School of Global Public Health and Lineberger Cancer Center
- 2010-2012 Consultant, Fruit and Vegetable Incentive Study, Albert Einstein Health Center (PI: Etienne Phipps, PhD)
- 2010 Consultant, Montana State University, Nutrition Education Program (USDA)
- 2008-2011 Consultant, Review of Environmental and Policy Interventions for Childhood Obesity Prevention, Transtria LLC and the Robert Wood Johnson Foundation
- 2007-2008 Expert Advisor, Minnesota Healthy Eating Survey (MHES), Blue Cross and Blue Shield of Minnesota Center for Prevention
- 2007-2009 Consultant, SHIFT Study (Study of Health In Families in Transition), funded by the Robert Wood Johnson Foundation (PI: Ross Brownson, PhD)
- 2006-2009 Consultant, Healthy Eating Research Program (University of Minnesota office), funded by the Robert Wood Johnson Foundation
- 2006 External Advisor, Weight Gain Prevention Research Programme (N-R-G), funded by the Dutch Heart Foundation, at the University of Maastricht
- 2005-2007 Consultant, eBalance study (SBIR), San Diego Ctr for Health Interventions (Kevin Patrick, MD)  
2005 Chair, Research Advisory Committee for Healthy Menu Project (funded by Robert Wood Johnson Foundation), Produce for Better Health Foundation (Kathy Hoy, Project Director)
- 2005 Study of tailored messages for relatives of melanoma patients, Fox Chase Cancer Center, Philadelphia (Sharon Manne, PhD, PI)
- 2004-2005 Development of research summaries on Childhood Obesity, for Active Living Research program funded by Robert Wood Johnson Foundation
- 2004-2005 Consultation on CDC-funded study, Financial Incentives for Smoking Cessation, University of Pennsylvania (Kevin Volpp, MD, PhD, PI)
- 2004 Consultation on research project, Finding the M.I.N.C. for Mammography Maintenance (PRISM2), University of North Carolina (Barbara Rimer, PI)
- 2003 Mentor/consultant, Maryland Sun Protection and Skin Cancer Awareness Study (Dr. Alison Ehrlich, PI), funded by the Centers for Disease Control [K03 award]
- 2002 Grant application review and consultation, North Dakota State University (K. McCaul)
- 2002 Consultation on Putting Prevention into Practice in Rural Hawaii (J. Schoultz, School of Nursing, University of Hawaii)

- 2001-2002 Development of a skin cancer prevention intervention for Maryland Waterman, National Cancer Institute (Intramural, Division of Clinical Sciences), with Dr. Alison Ehrlich
- 2001 Grant application review and consultation, Boston University School of Medicine (A. Geller)
- 2001-2002 Tailored messages for colorectal cancer detection; NCI grant application review and consultation, and consultation on tailored message design; Fox Chase Cancer Center (S. Manne)
- 2000-2001 Grant application review, University of Texas M.D. Anderson Cancer Center (E. Gritz)
- 2000-2001 Program project grant application review, Center for Health Research, Portland Oregon (J. Hollis, V. Stevens)
- 1999-2000 Technical Expert Advisory Group, Efficacy of Behavioral Dietary Interventions to Reduce Cancer Risk (AHCPR/NCI Study), Research Triangle Institute, N.C.
- 1999-2000 5 A Day Evaluation Working Group, for Division of Cancer Control & Population Sciences, National Cancer Institute
- 1998-1999 Review of program project grant application & mock site visit team, Cancer Prevention Research Program at Fred Hutchinson Cancer Research Center, Seattle (B. Thompson, PI)
- 1998 Consultant to Commonwealth Department of Health and Family Services, Canberra on ACT Australia, on New National Directions in Health Promotion and Prevention.
- 1998-2001 Behavioral science aspects of Skin Cancer Guidelines, Centers for Disease Prevention and Control, National Skin Cancer Prevention and Education Program
- 1998 Behavioral consultant, Melanoma Siblings Study, Boston University and Dana-Farber Cancer Institute, Boston, Massachusetts (H. Koh, A. Geller)
- 1997-99 Consulting Investigator, trials of voice-automated counseling for dietary change (TLC Eat and Run, and DietAid; Rob Friedman, M.D., PI), Boston University
- 1997 Review of alternative nutritional therapies for common health problems, for MultiCare Health Systems, Spokane, Washington
- 1997 Consultant to Cancer Prevention Research Unit, at Center for Health Research, Kaiser Permanente Northwest Region, Portland, Oregon
- 1997 External advisor for mock site visit, Cancer Control Program Project application, AMC Cancer Research Center, Denver
- 1996 External review, proposed doctoral program in Health and Wellness Promotion, Montclair State University, New Jersey
- 1996 Consultant to Burson-Marsteller/American Dietetic Association Foundation, for "Understanding Behavior Change" chapter for *Project LEAN Resource Kit*
- 1996 Research agenda development in dietary behavior change, for Robert Wood Johnson Foundation
- 1996 Community health and health promotion in the Marshall Islands, consultant to project based at Queensland Univ of Technology (Brisbane, Aus), sponsored by Asia Pacific Development Bank

- 1995-1996 Development of Self-Guided Workbook and Training for State-Added Questions for the Behavioral Risk Factor Surveillance System Survey, Hawai'i State Department of Health
- 1995 Consultant to Jossey-Bass, Inc. Publishers, Health Series
- 1995 Expert Advisory Committee, Cancer Information Svc Research Consortium, AMC Cancer Center
- 1995 University of Arizona Cancer Center, Behavioral Sciences Program
- 1995, 1999 Dept of Cancer Prevention & Control, Lombardi Cancer Center, Georgetown University
- 1994 National Workplace Health Promotion Study, Sydney University, Australia
- 1993-1996 Consultant to Five-a-Day Nutrition Intervention Projects, University of North Carolina and Fred Hutchinson Cancer Research Center
- 1992-1995 Diabetic Retinopathy Awareness Program, community intervention study, Stony Brook Health Sciences Center/Natl. Eye Institute.
- 1993 Data-Based Intervention Program, National Cancer Institute, Consultation on use of data sources for health promotion and cancer control planning
- 1992-1994 Advisor to Nutrition Education Research Center grant, University of Limburg, Department of Health Education, Maastricht, the Netherlands.
- 1992-1993 Advisory Panel, WIC Nutrition Education Assessment Study, Abt Associates/USDA.
- 1992 Evaluation of "Healthy Menu Program," a Federal worksite cafeteria nutrition program, for Office of Disease Prevention and Health Promotion, PHS, DHHS.
- 1992 Development of community nutrition grant proposal, Brown University.
- 1991 Development of Feasibility Project for Community Food and Nutrition Program, Westmead Hospital Dept. of Community Medicine, Westmead, NSW, Australia.
- 1991 Experiment to Improve Nutrition Counseling by Resident Physicians, NHLBI Grant to Division of Cardiovascular Medicine, Univ. of Massachusetts Medical Center.
- 1990-1991 Development of automated telephone counseling for cholesterol management, Health Information Technologies, Inc., Rochester.
- 1990-1991 Evaluation Consultant, Medical Student Fellowship in Nutrition Education, National Dairy Council and Chicago Medical School.
- 1990 Regional Training for Health Promotion for Older Adults, New Jersey Departments of Health (Gerontology Program) and Community Affairs (Division on Aging).
- 1989 University of North Carolina School of Medicine, Chapel Hill, NC: Genl Internal Medicine Fellowship, Cholesterol Reduction in Primary Care: Consultation on development, evaluation.
- 1989 Project LEAN Training Workshop for State and Community Grantees, Kaiser Family Foundation: Workshop Faculty.
- 1989 M.D. Anderson Cancer Center: Consultation on proposal for worksite health promotion study

- 1988 Henry J. Kaiser Foundation and Stanford University Center for Health Promotion, Menlo Park, CA: Nutrition Coordinating Committee Meeting on "Working Effectively With Organizations."
- 1988 Focus Technologies, Inc., Washington, DC: Consultation on cholesterol education programs.
- 1987-1988 HealthEast, Allentown, PA: Consultation on development of medical center-based comprehensive weight management center.
- 1987 Fox Chase Cancer Center, Behavioral Research, grant development for Enhancing Adherence to Mobile Mammography at the Worksite
- 1987 Columbia University School of Public Health: Technical/copy editing for proceedings of "Youth 2000: Imperatives for the Future," and Maternal and Child Health Division brochure.
- 1985-1990 Johnson & Johnson Health Management, Inc./JJHMI, Santa Monica, CA [U.S. Corp. Health Management until 1987]: worksite health promotion program consulting:  
\*Coordinator, IBM A Plan for Life evaluation revisions and course criteria review (87-88)  
\*Review of Diet Center Program, 1989  
\*Regional Health Coordinator and planning consultant, IBM  
\*Training and technical assistance: RCA; General Motors; Ford Motor Company; South Central Bell; Grumman Corporation
- 1987 DuPont Corporation & EBA Associates: Train occupational nurses for cholesterol counseling.
- 1987 Abington Memorial Hospital, Abington, PA; Department of Education and Training: Strategic planning consultation, community health education programs.
- 1987 Penna State University and Penna Dept of Health: Evaluation of health risk reduction programs.
- 1987 Focus Technologies, Inc., Washington, DC: Development of nutrition counseling algorithms for weight control, cardiovascular risk reduction, and cancer risk reduction.
- 1987 Healthy Lifestyles Wellness Program, Battle Creek, MICH: Program evaluation consultation.
- 1987 Johnson & Johnson, Live for Life Program: Consultation regarding increasing involvement of wage/blue collar workers in health promotion programs.
- 1986 HealthEast, Allentown, PA: Consultation for hospital-based community health promotion.
- 1986 Columbia University School of Public Health and Ford Foundation: Technical/copy editing for report on "Prenatal Care Initiatives."
- 1985-1986 Consultant to "Nutrition at the Worksite" Cooperative Agreement: Society for Nutrition Education, and Office of Disease Prevention and Health Promotion (DHHS).
- 1985 Pennsylvania Department of Health, Health Risk Reduction Project: Evaluation training and consultation for statewide health risk reduction programs in worksites, schools, and community.
- 1985 Nutri/System, Inc., Philadelphia, PA: Consultation on weight loss program development.
- 1985-1989 Temple University School of Medicine, Department of Medicine, Richard Eisenstaedt, M.D.: Educational Consultant, Transfusion Medicine Academic Awards Program, NHLBI.

- 1984-1987 Teacher-Practitioner-Researcher Project, Cedar Crest College and Lehigh Valley Hospital Center, Allentown, PA: Evaluation consultant .
- 1985 Penna Dept of Health, Southeast District: Evaluation of worksite health risk reduction programs.
- 1985 SmithKline Beckman Corp., Philadelphia, PA: Preparation of drug profile sheet for physicians.
- 1984 Friends Hall, Fox Chase Medical Center, Philadelphia: Proposal development for demonstration project "Peer Counseling for Disabled Elderly Discharged from a Skilled Nursing Facility."
- 1984 American Red Cross, S.E. Pennsylvania Chapter, Philadelphia: Consultation for worksite health promotion market research.
- 1983-1984 Finance America, Inc., Allentown, PA: Development of employee health promotion program.
- 1984 Fox Chase Cancer Center, Philadelphia: process evaluation of Cancer Program for Older Citizens
- 1983-1984 Senior Citizens' Center Peer Facilitator Program, Allentown, PA: Evaluation consultant for project sponsored by Lehigh Valley Stroke Program and Pennsylvania Department of Aging.
- 1983 Consultation on development of Rutgers Univ. Family & Community Health Program.
- 1983 Southeastern Penna. High Blood Pressure Control Program: Evaluation of existing and needed community hypertension screening site activity.
- 1983 Philadelphia Corporation for Aging: Proposal development, "Improving Nutrition Education and Counseling for the Homebound Elderly."
- 1983 Evaluation of "Child Care in the Home," St. John Ambulance, University of Ottawa, Ontario
- 1983 Phila. Corp. for Aging: Training social workers: Nutritional Concerns of Homebound Elderly.
- 1982-83 Some Body, Inc., Exercise Program for Pregnant Women and New Mothers, Philadelphia: Development of research on benefits of exercise during the childbearing year.
- 1982-84 Air Products and Chemicals, Inc., Allentown, PA: With Lehigh Valley Stroke Program; development and evaluation of worksite hypertension control program.
- 1981 National Prevention Evaluation Resource Network (NPERN), Evaluation consultant to Minnesota and Virginia drug abuse prevention programs
- 1979-82 Live for Life Program, Johnson & Johnson Corporation: Conducting health promotion seminars; technical advising for Health Knowledge and Nutrition task forces at six worksites; consultation to program staff on health behavior change strategies and service delivery.
- 1981 National Health Service Corps, Region III DHHS: Development of training materials to improve Nurse Practitioners' patient education and its evaluation.
- 1979 Institute for Outdoor Awareness, Swarthmore, PA: Evaluation consultant, "Outdoor Therapy Alternatives for Youth in Drug Treatment Programs," funded by Natl. Inst on Drug Abuse.

**PRESENTATIONS, LECTURES AND WORKSHOPS**

*(Excludes teaching and project-sponsored seminars at primary institution. Conference presentations and posters listed are co-authored unless they are keynote addresses)*

1. “Applying health behavior theories across the lifespan to advance research and practice,” at the Public Health Nursing Section Conference, Michigan Public Health Association, March 19, 2024.
2. “My experience as a researcher in obesity/nutrition/activity – and as an AOM patient,” speaker and panel participant – Advancing optimal obesity treatment: intersections between treatment options; at Medications and Obesity: Exploring the Landscape and Advancing Comprehensive Care: A Workshop, Roundtable on Obesity Solutions and the National Academies of Medicine, Engineering and Science, March 2024.
3. “Studying the impact of financial incentives at point of purchase on low income consumers’ food purchases,” at the Healthy Eating Research Annual Meeting, Durham, NC, March 2023.
4. “The effects of a ‘sunscreen ban’ on knowledge, attitudes and behavior.” DBEI Research Day, March 2023.
5. Demonstrating Impact Across the Research Trajectory.” Panelist at ONR Colloquia Series. Office of Nursing Research, Penn School of Nursing, September 2022.
6. “Measuring the Impact of Dissemination and Implementation Projects.” At National Academy of Medicine Workshop on Accelerating the Use of Findings from Patient-Centered Outcomes Research in Clinical Practice to Improve Health and Health Care: Workshop 3. Virtual, July 1, 2022.
7. Moderator and Panelist, “Bridging the Gap Between Dietary Biomarker and Population Science Research.” PennNSAM Nutrition Science and Medicine Center and Penn State University. Virtual, June 2022.
8. “Livable Cities are Edible Cities.” Panelist on Livable Cities audiobook. Penn Institute of Urban Research, Virtual, October 2021.
9. “Neighborhood Food Environments: State of the Science.” At: Food Insecurity, Neighborhood Food Environment, and Nutrition Health Disparities: State of the Science. NIH Virtual Workshop, September 2021. Also moderator, co-chair and summary speaker.
10. “Strategies for reducing obesity disparities through policy and environmental change,” at Symposium: How do we confront disparities in Obesity and COVID-19 treatment? ENDO 2021 (virtual), March 2021.
11. “Sunscreen Impacts on Humans and the Environment: Can we Balance Cancer Prevention and Coral Reef Preservation?” Wistar Institute/UPenn Cutaneous Oncology Retreat, October 2020.
12. “Food and Nutrition Environments: Is there an elephant in the room?” 5<sup>th</sup> Food Environment Group Meeting, Center for Health Economics and Policy Innovation, Imperial College London, August 2020.
13. “An Overview of Using Retail Food Sales Data for Nutrition Surveillance, Outcomes Research and Evaluation.” At Healthy Eating Research Annual Grantee Meeting, Denver, CO, March 2020.
14. “Changes in food and activity environments: How well do they improve health behavior and reduce risk?” Keynote Address at: UAB 14<sup>th</sup> Annual Health Disparities Research Symposium, Birmingham, Alabama, April 2019.
15. “Do local policies and environments improve health behavior?” At Cancer Prevention Fellows Program Colloquium, Rockville, Maryland, March 2019.

16. "Local policies and environments: How well do they work to improve health behavior?" Keynote Address at: Prince Mahidol Award Conference, Bangkok, Thailand, February 2019.
17. "Prevention and outdoor recreation: Policy, prevention and protecting the environment." At Exercise Science and Skin Cancer Prevention Research workshop, National Cancer Institute, Rockville, MD, September 2018.
18. "Food and nutrition environments: Is there an elephant in the room?" Hawaii Public Health Association and University of Hawaii Cancer Center, Honolulu, May 2018.
19. "Validity of self-report in cancer prevention research: Findings from the Sun Exposure and Protection Habits Measurement Study (SEPH)". University of Hawaii Cancer Center, Honolulu, April 2018.
20. "Health disparities: Social determinants and strategies to increase health equity," At PIK Seminar, Health Disparities: Integrating knowledge from genomics, social sciences and law. Philadelphia, PA: November 29, 2017.
21. "Built environments, obesity and health: Food and Nutrition Environments," at Advancing Obesity Solutions Through Investments in the Built Environment: A Workshop. National Academy of Medicine, Washington DC, September 2017.
22. Moderator, Partnering for Prevention: The CPRN's Collaborations with Federally Qualified Health Centers. CDC National Cancer Conference, Atlanta, August 2017.
23. "Changes in sugary and diet beverage prices due to the Philadelphia Sweetened Beverage Tax." American Public Health Association Annual Meeting, Atlanta, GA, November 2017.
24. "Tackling Health and Safety Outcomes Through the Built Environment." Breakthroughs Policy Conference, Fels Policy Research Institute, April 2017.
25. "Valid Brief NEMS Tools and Measures of Beverage Environments (NEMS-B and NEMS-BPP)." Healthy Food Retail Methods Workgroup, Healthy Eating Research, March 2017.
26. "Measures of Retail Food Environments and Sales: Review," a *JNEB* Journal Club Webinar. 67 participants, February 2017.
27. "Introducing the University of Pennsylvania Prevention Research Center (PRC)," at the "30<sup>th</sup> Anniversary of the PRC Program Session," Annual Meeting of the Association of Schools and Programs of Public Health (ASPPH), Arlington, VA, March 2016.
28. "The Impact of In-Store Marketing on Sales of Healthier Foods," at "Innovative In-Store Marketing Strategies: How Today's Grocery Retailer Can Positively Impact Childhood Obesity." Interfaith Center on Corporate Responsibility/Partnership for a Healthier America (ICCR/PHA), New York, March 2016.
29. "The Intersection of Food, Health and Communities," Plenary panel speaker at Transforming Food Access:: Accelerating Affordability with Nutrition Incentives, Wholesome Wave Summit, Atlanta, January 2016.
30. "Population-Wide and High-Risk Strategies for Skin Cancer Prevention." Haverford College, Haverford, PA, Health Psychology course, April 2016; and November 2016; and April 2017.
31. "Effectiveness of Skin Cancer Prevention Programs for Reducing Melanoma and Non-Melanoma." At 3<sup>rd</sup> International Conference on UV and Skin Cancer Prevention. Melbourne, Vic, Australia, December 2015.

32. "Validity of Self-Report Measures." For workshop: Surveillance of Skin Cancer Risk Factors. At 3<sup>rd</sup> International Conference on UV and Skin Cancer Prevention. Melbourne, Vic, Australia, December 2015.
33. "Setting the Stage." At Workshop on "Using retail food sales data for food, nutrition and health outcomes research, surveillance and evaluation." National Collaborative on Childhood Obesity Research. Washington, DC, September 2015.
34. "Food environments and health and nutrition disparities." Workshop on "Inequalities in Health Promoting Environments: Physical Activity and Diet." University of Haifa, Israel, June 2015.
35. "The impact of changing in-store marketing on sales of healthier foods." Workshop on "Inequalities in Health Promoting Environments: Physical Activity and Diet." University of Haifa, Israel, June 2015.
36. "Disparities in nutrition environments and eating habits - Panel." Workshop on "Inequalities in Health Promoting Environments: Physical Activity and Diet." University of Haifa, Israel, June 2015.
37. "Strategies to reduce inequalities in health promoting environments - Panel." Workshop on "Inequalities in Health Promoting Environments: Physical Activity and Diet." University of Haifa, Israel, June 2015.
38. "Skin cancer prevention: Evidence and dissemination." Symposium—Insights in Melanoma: National and Local Perspectives. University of Hawaii Cancer Center, May 2015.
39. "Research on In-Store Healthy Food Promotion." Healthy Checkouts and Behavioral Economics, Webinar, Center for Science in the Public Interest (CSPI), March 2015; and Food Systems Seminar, University of Pennsylvania, April 2015.
40. "Obesity, the Built Environment, and Healthy In-Store Marketing," Americorps VISTA volunteers seminar, Philadelphia, February 2015.
41. "Development and Reliability of the Nutrition Environment Measures Survey for Beverages (NEMS-B), Symposium (3 talks), American Public Health Association, New Orleans, November 2014.
42. "Sustainable, Equitable Urban Food Systems." Panelist, Penn Institute of Urban Research, Philadelphia, October 2014. "Using Retail Grocery Store Marketing Strategies to Promote Healthier Food Choices." Cancer Prevention and Control Program, Fox Chase Cancer Center, Philadelphia, June 2014.
43. "Health Behavior, Obesity and the Built Environment." Impact lecture at the Healthy Cities, Healthy Women Conference, Philadelphia, Pa, May 2014.
44. "Using Retail Grocery Store Marketing Strategies to Promote Healthier Food Choices." Healthy Food Marketing: Trends and New Research Webinar, Policy Link/The Food Trust, May 2014; 350+ attending.
45. "Dissemination and Implementation Science: Beyond Efficacy and Effectiveness." Workshop, with Rinad Beidas, Drexel University College of Nursing and Health Professions, May 2014.
46. "Socioeconomic and race/ethnic inequalities in observed park quality." International Society of Behavioral Nutrition and Physical Activity. San Diego, CA. May 23, 2014.
47. "Relation of afterschool environment to adolescents' afterschool PA." International Society of Behavioral Nutrition and Physical Activity. San Diego, CA. May 23, 2014. J Engelberg et al.
48. "Perceived Nutrition Environment Measures Survey (NEMS-P): Development and Evaluation." Poster presentation at the Society of Behavioral Medicine Conference, Philadelphia, April 2014. C Thornton et al.

49. "A multicenter study of inferior vena cava filters in children." Poster presentation at American Society of Pediatric Hematology and Oncology, Chicago, May 2014. E Blevins et al.
50. "Mapping barriers and facilitators to retention in care and antiretroviral therapy adherence to Andersen's Behavioral Model." Poster presentation at International Association of Providers of AIDS Care (IAPAC), Miami, June 2014. C Holtzman, B Yehia et al.
51. "Social desirability bias in assessment tools used with HIV+ adolescents in Botswana." Poster presentation at International Association of Providers of AIDS Care (IAPAC), Miami, June 2014. E Lowenthal et al..
52. "Patient and provider perspectives on the outpatient HIV clinic experience and its impact on retention in care." Poster presentation at International Association of Providers of AIDS Care (IAPAC), Miami, June 2014. B Yehia et al.
53. "Barriers to care differ for patients retained and not retained in HIV care." Poster presentation at International Association of Providers of AIDS Care (IAPAC), Miami, June 2014. B Yehia et al.
54. "A 10 Year Review of the Nutrition Environment Measures Survey (NEMS) in Research and Practice." Poster presentation at the Society of Behavioral Medicine Conference, Philadelphia, April 2014.
55. "Using NEMS to Assess Beverage Availability, Pricing and Promotion." CDC Healthy Beverage Networking Call, March 2014.
56. "Using Retail Grocery Store Marketing Strategies to Promote Healthier Food Choices." Children's Hospital of Philadelphia (CHOP), March 2014.
16. Visiting Scholar and Speaker, "Changing social environments to promote health," Arizona State University College of Nursing and Healthcare Innovation, Phoenix, February 2014.
17. "Measuring food environments in communities: Observations and surveys." At American Institute for Cancer Research (AICR) Research Conference, Washington D.C., November 2013.
18. "Opportunities for behavior change research in oral health behavior." At Improving Oral Hygiene Behavior: A Workshop to Spark New Ideas for Research. Leonard Davis Institute for Health Policy, University of Pennsylvania, October 2013.
19. "Media USA: Mass media campaigns for skin cancer prevention." At the 2<sup>nd</sup> International Conference on UV and Skin Cancer Prevention, Berlin, Germany, September 2013.
20. "Effectiveness of Skin Cancer Prevention Programs." Keynote address, at the 2<sup>nd</sup> International Conference on UV and Skin Cancer Prevention, Berlin, Germany, September 2013.
21. "Nutrition Environment Measures Survey (NEMS): What it is and How It's Being Used." At Upper Valley Lake Sunapee Regional Planning Commission Forum. New London, New Hampshire, June 2013.
22. "Results on the association of neighborhood income and walkability on physical activity and sedentary behaviors: Neighborhood walkability in relation to multiple outcomes in US adolescents." Sallis JF, Conway TL, Kerr J, Saelens B, Frank LD, **Glanz K**, Cain K, Chapman J. International Society for Behavioral Nutrition and Physical Activity. Ghent, Belgium. May 2013.
23. Speaker, Wharton Executive Education Thought Leader Series. "Obesity and the Built Environment." Philadelphia, PA, February 2013.

24. "Urbanization, Diets and Demand." Moderator, Plenary Session, Feeding Cities Conference. Penn Institute for Urban Research, Philadelphia, PA, March 2013.
25. "Scaling up an effective health behavior intervention program and evaluating program implementation and maintenance." At the Cancer Council of New South Wales, Sydney, Australia, December 2012.
26. "Diffusion of an effective skin cancer prevention program: Research to Practice." Master Class, Health Behaviour Research Centre, University of Newcastle, Newcastle NSW, Australia, November 2012.
27. "Population and high-risk strategies for behavior change." Health Behaviour Research Group, University of Newcastle, Newcastle NSW, Australia, December 2012.
28. "Modifying Social and Physical Environments to Improve Health: At the Intersection of Health Psychology and Population Health." Keynote address, British Health Psychology Conference, Liverpool, UK, September 2012.
29. "Environmental influences on physical activity and obesity and other behaviors impacting cancer." At the Center for Science, Health and Society, Case Western Reserve University School of Medicine, Cleveland, OH, June 2012.
30. "Historical perspective and overview of the food environment in relation to nutrition, obesity and health." At Calle/Rodriguez Memorial Expert Roundtable on Spatial Measures of the Environment: Application in the Cancer Prevention Studies, American Cancer Society National Home Office, June 2012.
31. "Behavioral Science Theory in Health Communications." Seminar, Doctoral School in Health Communication, University of Lugano, Lugano, Switzerland, May 2012.
32. "Implementation Science: Theory, Community-Based Research, and Applications." Evaluation Roundtable Series, Office of the Associate Director for Programs, Centers for Disease Control and Prevention, Atlanta, October 2011.
33. "The impact of the neighborhood environment on kids' body weight," and "Optimizing the neighborhood nutrition environment to prevent obesity," at Childhood Obesity: Food as part of the Problem and Solution – Bunge's 3<sup>rd</sup> Nutrition Leaders Summit, White Plains, N.Y., October 2011.
34. "Obesity and the built environment." At the University of Botswana, Gabarone, Botswana; July 2011.
35. "Effects of relocation to a mixed-use development on physical activity and transportation patterns." At the National Healthy Homes Conference, Denver, June 2011.
36. "Research-based challenges in scaling-up health promotion/disease prevention interventions: Pool Cool." At the Symposium Scaling-Up Evidence-Based Health Promotion and Disease Prevention Interventions, Society for Behavioral Medicine Annual Meetings, Washington, DC, April 2011.
37. "CDKN2A/p16 and MC1R Genetic Testing, Counseling, and Adherence to Melanoma Prevention Behaviors," K Glanz, P Kanetsky, M Ming, L Schuchter, S Domchek, A Gianola, K Volpicelli, J Powers, J Stopfer, K Armstrong. At ELSI Congress: Exploring the ELSI Universe, Chapel Hill, NC, April 2011.
38. "Cancer Prevention in Groups and Organizations," on Educational Forum, Changing Behaviors that Increase Cancer Risk: Do we Know Enough to Adopt Interventions? At American Association of Cancer Research Annual Scientific Meeting, Orlando, FL, April 2011.

39. "In-Store Marketing," at session on Highlights of Cutting-Edge New Research on Food Marketing Practices. At National Collaborative on Childhood Obesity Research (NCCOR) Research Roundtable III: Food Advertising and Marketing to Children and Youth, Washington DC, April 2011.
40. "In-Store Marketing Research," at session on In-Store Marketing Innovations to Reverse Childhood Obesity, at Food Marketing Institute 2011 Health and Wellness Conference, Orlando, FL, April 2011.
41. Panelist, "Improving Health Care Decision-making in Serious Illness," Penn-CHOP Symposium Retreat, Philadelphia, April 2011.
42. "Overview of Issues Related to Measuring Food and Nutrition Environments," for the Institute of Medicine (IOM) Workshop on Measurement Strategies for Accelerating Progress in Obesity Prevention, at Beckman Center of the National Academies, Irvine, CA, March 2011.
43. "Environmental and Policy Interventions for Tobacco, Diet and Physical Activity," at the Symposium on Eliminating Health Disparities by Addressing Sociocultural and Environmental Root Causes; University of Miami EL CENTRO, Center for Nursing and Health Studies, Miami FL, March 2011.
44. "Translating Evidence into Practice, Lessons from Global Health, and the Long Haul," at Siteman Cancer Center, Washington University St. Louis, January 2011.
45. Chair, session on "Best Practices and New Directions in Data Collection," at New Directions in Neighborhood Research, Columbia University, New York City, October 2010.
46. "Policy and Environmental Strategies for Sustaining Behavior Change," Sustaining Behavioral Change Panel, at the Council for the Advancement of Nursing Science in Washington, DC, September 2010.
47. "Social and Behavioral Science Theory in Health Communications." Seminar, Doctoral School in Health Communication, University of Lugano, Lugano, Switzerland, May 2010.
48. "Impact of a Nutrient Rich Foods Consumer Education Program: The Nutrition Advice Study." The Utrecht Group Annual Meeting, Utrecht, the Netherlands, May 2010.
49. "Changing social environments to promote health: Evidence, opportunities and challenges." Health Policy Forum, Thomas Jefferson University School of Population Health, Philadelphia, May 2010.
50. "Modifying social and physical environments: lessons and keys for transforming policy, research and practice." Keynote Address, Midyear Conference, SOPHE (Society for Public Health Education) and Prevention Research Centers Program, Atlanta, April 2010.
51. "Behavioral Science and Public Health Interventions." Institute of Medicine, Meeting of the Committee on Oral Health Access to Care, Washington, D.C., March 2010.
52. "Methods and results of what works best for nutrition, physical activity and obesity: The CDC Community Guide." 20<sup>th</sup> Annual Art and Science of Health Promotion Conference, Hilton Head Island, South Carolina, March 2010.
53. "How do we solve the obesity epidemic?" Panelist. At: 20<sup>th</sup> Annual Art and Science of Health Promotion Conference, Hilton Head Island, South Carolina, March 2010.
54. "Translating cancer prevention strategies to clinics and communities." Advances in Cancer Research: From the Laboratory to the Clinic, Dead Sea, Jordan, March 2010.

55. “Establecer habitos de actividad fisica en la poblacion, solucion fundamental para mejorar la situacion nutricional de Mexico.” [“Establishing physical activity habits in the population, a basic solution to improve nutrition in Mexico”] At Simposio “Nutriologos en accion: de la Etiologia a la solucion,” Universidad Iberoamericana, Mexico City, Mexico, January 2010.
56. “Research on obesity and the built environment: lemons, lemonade and sorbet.” At the FOCUS program seminar, University of Pennsylvania, January 2010.
57. “Obesity and the built environment.” At Engaging Minds: Penn Faculty Live! In San Francisco and Los Angeles, January 2010. Also in New York City, December 2010 and London, January 2011.
58. “Translating evidence into practice, lessons from global health, and the long haul.” Center for Public Health Initiatives (CPHI) Annual Retreat, University of Pennsylvania, December 2009.
59. Escoffery C, Kegler M, Blake S, Graham T, Glanz K. “Analysis of the use of evidence-based cancer prevention strategies in the National Breast and Cervical Cancer Early Detection Program.” American Public Health Association Annual Meeting, Philadelphia, November 2009.
60. “Effects of relocation to a mixed-use development on physical activity and transportation patterns.” Seminar, Tulane University Prevention Research Center, New Orleans, October 2009.
61. “Behavior change theory at a glance.” WISEWOMAN Program Lifestyle Intervention Program, Atlanta, May 2009.
62. “Measures of the food built environment.” 7th International Conference on Diet and Activity Methods (ICDAM7), Washington, D.C., June 2009.
63. “Validity of self-report in cancer prevention research: Findings from the Sun Exposure and Protection Habits Measurement Study (SEPH).” Cancer Prevention Fellows Colloquium, National Cancer Institute, Rockville, Md., February 2009.
64. “Dissemination of an Effective Skin Cancer Prevention Program.” Speaker and Panel Moderator, NIH Conference on Dissemination Research, Bethesda, Md., January 2009.
65. “Places, Products and Policies: Understanding Food and Nutrition Environments and Marketing to Kids.” Centers for Disease Control and Prevention, Marketing to Kids Expert Panel Presentation, July 2008.
66. Panelist, “Evaluation Methodology.” At USDA Healthy Incentives Pilot Symposium, Food and Nutrition Service, U.S. Department of Agriculture, Alexandria, VA, October 2008.
67. “Emerging Issues in Health Behavior Theory.” University of North Carolina School of Public Health, Chapel Hill, N.C., October 2008.
68. Honeycutt S, Kegler MC, Ballard D, Barnette JK, Bishop K, Smith I, Glanz K. “Assessing Community Engagement in Research.” American Evaluation Association Annual Meetings, Denver, November 2008.

73. "From Intervention to National Programs: What is Known about Dissemination of Programs for Increasing Fruit & Vegetable Intake?" Presentation and Session Chair. At International Fruit and Vegetable Summit 2008, Paris, France; May 2008.
74. "Population Health Surveys as Tools to Improve Community Health." At SHOW Research Symposium, Introducing the Survey of the Health of Wisconsin. Madison, Wisc., University of Wisconsin School of Medicine and Public Health, May 2008.
75. "Understanding and Improving Nutrition Environments in Grocery Stores and Restaurants." Wisconsin Prevention of Obesity and Diabetes (WiPOD) Obesity Prevention Lectureship, University of Wisconsin, May 2008.
76. Painter J, Borba C, Hynes M, Mays D, Glanz K. "The use of theory in health behavior research from 2000 to 2005: Primary findings of a systematic review." At SOPHE MidYear Meeting, Chicago, May 2008.
77. Glanz K. "Research Status and Gaps Related to Environment, Policy and Nutrition." At Research Agenda Workshop on "Study Designs and Analytic Strategies for Environment and Policy Research on Obesity, Physical Activity, and Diet." Sponsored by *Active Living Research* and *Healthy Eating Research Programs*, Washington DC, April 2008.
78. Hermstad A, Glanz K, Kegler MC. "Behavioral Correlates of Nutrition Environments in Rural Communities." Society for Behavioral Medicine Annual Meetings, San Diego, March 2008.
79. Glanz K. Moderator and presenter, "Ethical Dilemmas and Challenges in Community-Based Health Research," at Prevention Research Centers Annual Meeting, Atlanta, March 2008.
80. Alcantara I, Kegler MC, Escoffery C, Scanlin K, Morris C, Reynolds P, Hotz J, Glanz K. "Exploring the Influence of Faith-Based Organizations on Physical Activity in Rural Southwest Georgia." At APHA Annual Meetings, Washington DC, November 2007.
81. Glanz K. Moderator and speaker, "Building Successful Cancer Prevention Programs." 2008 Georgia Cancer Summit. Atlanta, January 2008.
82. Glanz K, Davis E. "Nutrition Environment Measures Survey (NEMS)." At Robert Wood Johnson Foundation Childhood Obesity Meeting, New Orleans, November 2007.
83. Glanz K, Mumford K. "Atlantic Station Health Study – Walkability and Travel Patterns among Residents." CDC/ATSDR GIS Grand Rounds: GIS and Healthy Homes. CDC, Atlanta, October 2007.
84. "Measurement Issues in Assessing the Food Environment." At Healthy Eating Research Program Annual Grantee Meeting, Minneapolis, MN, October 2007.
85. Sutton N, Haro-Arvizu P, O'Riordan D, Glanz K. "REAL: Youth Taking Down Kool In Hawaii." National Conference on Tobacco or Health, Minneapolis, October 2007.

86. Contant C, Mumford K, Glanz K, Weissman J, Wolf J. "Studying Walkability and Travel at the Atlantic Station Neighborhood." Association of Collegiate Programs on Planning, Milwaukee, October 2007.
87. Perspectives from Public Health, Behavioral Sciences, and Health Education on Working With Restaurants. For "National Fruit and Vegetable Program Teleconference." Sponsored by National Fruit and Vegetable Coordinating Committee, State/Region/Community Committee, CDC, October 2007.
88. Moderator, "Why Should Public Health Partner With Academia?" Plenary Session at the 2007 CDC Cancer Conference, Atlanta, August 2007.
89. Hinman J, Glanz K, Kegler M, Barnette JK. "Partnering for Research in Rural Southwest Georgia: The Emory Prevention Research Center." At the 2007 Georgia Public Health Association Conference, Savannah, GA, September 2007.
90. Glanz K, Pignone M, Scott T, Vazquez R, Lewis C. "Partnering with a Major Health Insurer to Increase CRC Screening." At the 2007 CDC Cancer Conference, Atlanta, August 2007.
91. "The Partnership for Prevention, Worksite Guide." In Addressing Tobacco at the Worksite session. At the 2007 CDC Cancer Conference, Atlanta, August 2007.
92. "Ethical Issues in Community-Based Research," Public Health Ethics Lecture Series, National Center for Chronic Disease Prevention and Health Promotion, CDC; Atlanta, June 2007.
93. Glanz K, Beck A, Primo S, Echt K, Stryker J, Drews-Botsch C, Bundy L, Lynn M. "I-SIGHT: Interactive Study to Increase adherence to Treatment." American Glaucoma Society Annual Meetings, San Francisco, March 2007.
94. "Measuring and Understanding Community Nutrition Environments," Community Health and Preventive Medicine Seminar, Morehouse School of Medicine, Atlanta, February 2007.
95. Roundtable Discussion: Community Nutrition Environments (with Margaret Clawson), Prevention Research Centers Program Meeting, Atlanta, March 2007.
96. Panel on Successful Prevention Research Centers: Leveraging Resources, Prevention Research Centers Program Meeting, Atlanta, March 2007.
97. Society for Behavioral Medicine meetings, Validity of Sunscreen Use (Eric Nehl, Karen Glanz, et al.), March 2007.
98. Society for Behavioral Medicine meetings, Differential Item Functioning of Sense of Coherence for Youth Smoking (Alana Steffen, Karen Glanz, Lynne Wilkens, et al.), March 2007.
99. "Nutrition and Physical Activity Environments: Current Research and Policy and Future Needs," at the President's Cancer Panel Meeting. Portland, Oregon, December 2006.
100. "Changing Health Behavior with Tailored Messages and New Communication Technologies," Keynote Lecture at the 12th National Health Promotion Conference in Israel. Jerusalem, November 2006.
101. "Changing Social Environments to Promote Health," and "Using New Communication Technologies to Improve Health Behavior," at Cancer Prevention Workshop, Haifa University, Haifa, Israel, November 2006.
102. Chair, Plenary Session, "Nutrition, Activity, Obesity and Cancer." American Association for Cancer Research (AACR) Frontiers in Cancer Prevention Research Conference. Boston, MA, November 2006.

103. "Evidence-Based Practices in Chronic Disease Prevention and Control," at Joint Chronic Disease Coordinators Conference, Georgia Division of Public Health. Columbus, GA, October 2006.
104. "Lifestyle, Behavior, and Cancer: What's the Evidence?" At Southwest Georgia Cancer Symposium: The role of Primary Care in the Prevention and Treatment of Cancer in Women. Albany, Georgia, October 2006.
105. "Diet, Physical Activity, Obesity, and Youth Cancer Prevention." At Think Tank on Cancer Health Disparities, American Association of Cancer Research, Philadelphia, October 2006.
106. "Measuring Community Food Environments," Healthy Eating Research First Annual Grantee Meeting, Princeton, N.J., July 2006; and Robert Wood Johnson Foundation Program Leaders Meeting, November 2006.
107. "Evaluation of Tailored Skin Cancer Prevention Strategies Project SCAPE," Symposium on Media and Environmental Interventions to Change Sun Protection Behavior; at World Cancer Congress, Washington, D.C., July 2006.
108. "Diffusion of an Effective Skin Cancer Prevention Program: The Pool Cool Diffusion Trial," Symposium on Media and Environmental Interventions to Change Sun Protection Behavior; at World Cancer Congress, Washington, D.C., July 2006.
109. "Blending Psychology and Public Health for Cancer Prevention: Scientific Lessons and Life Lessons." Elizabeth A. Fries Memorial Lecture, at Society for Behavioral Medicine Annual Meetings, San Francisco, March 2006.
110. Symposium Discussant, "Conflicting risks, numeracy, and superstitious thinking: Hazards of risk communication in applied cancer control." Society for Behavioral Medicine Annual Meetings, San Francisco, March 2006.
111. "Findings from the Nutrition Environment Measures Study (NEMS)." Glanz K, Sallis JF, Saelens BE, Frank LD. Society for Behavioral Medicine Annual Meetings, San Francisco, March 2006.
112. Chair, "Theory-based interventions for physical activity" paper session. Society for Behavioral Medicine Annual Meetings, San Francisco, March 2006.
113. "Understanding and Improving Community Nutrition Environments." Visiting Scholar Series, Center for Research in Chronic Disorders (CRCDD) at the University of Pittsburgh School of Nursing; Pittsburgh, March 2006.
114. "Lessons from Skin Cancer Prevention Apply to Obesity – and Vice Versa." At the Conference "Empirically Based Prevention Strategies – Implications for Obesity," Faculty of Medicine, University of Duisberg-Essen, Essen, Germany, February 2006.
115. "Measurement of Community Nutrition Environments." At the University of Maastricht, in Limburg, the Netherlands, February 2006; and at the Healthy Places Research Group Meeting, Atlanta, February 2006.
116. Steffen AD, Glanz K. "Measurement properties of a sun protection habits scale." At the Hawaii International Conference on Statistics, Honolulu, January 2006.
117. Steffen AD, Glanz K, Wilkens LR. "Dimensionality, Reliability, and Differential Item Functioning for Two Measures of 'Usual Sun Protection Practices'." At Developing Consensus Measures of Skin Cancer Prevention Behaviors: An Investigators' Workshop, NCI/Emory University, Atlanta, December 2005.

118. "Validation of Sun Exposure and Sun Protection in the *Pool Cool* Diffusion Trial." At Developing Consensus Measures of Skin Cancer Prevention Behaviors: An Investigators' Workshop, NCI/Emory University, Atlanta, December 2005.
119. Aungst J, Mays D, Usdan S, Bernhardt J, Glanz K. Feasibility and short-term outcomes of sending tailored alcohol-related messages via wireless handheld computers. American Public Health Association (APHA) Annual Meetings, Philadelphia, December 2005.
120. Sy AU, Lunde KB, Steffen AD, Glanz K. Correlates of implementation of a school-based youth smoking prevention program. APHA Annual Meetings, Philadelphia, December 2005.
121. "Lifestyle Behaviors and Cancer: What's the Evidence?" Plenary panel speaker at the Georgia Cancer Coalition 2005 Cancer Summit, Atlanta, November 2005.
122. "Diffusion of an Effective Sun Protection Program: Theory and Methods." Lecture for students at the Institute of Public Health, Georgia State University, October 2005.
123. "Changing Social Environments to Promote Health: Opportunity and Challenges." Keynote address at the 7<sup>th</sup> Annual CDC/ATSDR Health Education Day, Atlanta, October 2005.
124. "The Pool Cool Sun Protection Program in Swimming Pools." At the Sun Safety Summit, National Council on Skin Cancer Prevention, Washington, DC, September 2005.
125. "What Primary Prevention Strategies Work? The Community Guide Evidence Review." On panel, "Primary Prevention: Are We Making Progress?" At the 6<sup>th</sup> World Congress on Melanoma, Vancouver, B.C., Canada, September 2005.
126. "Tailored Message Strategies for Cancer Prevention." Keynote address, at Tailoring Health Messages: Bridging the Gap between Social and Humanistic Perspectives on Health Communication. Monte Verita, Switzerland, July 2005; also at University of North Carolina School of Public Health, April 2006.
127. "Promoting CRC Screening: High-Risk and Population-Wide Strategies." Division of Cancer Prevention and Control, U.S. Centers for Disease Prevention and Control, Atlanta, GA, July 2005; and American Cancer Society National Home Office, Atlanta GA, January 2006.
128. "Tobacco Control Activities & Research in Hawaii 1995-2004: A Focus on Youth." Seminar for the Epidemiology Branch, Georgia Division of Public Health, May 2005.
129. Moderator, Panel on "Community-Based Participatory Research in Behavioral Medicine and Public Health," Joint Meeting of Society for Behavioral Medicine & Society for Public Health Education, Boston, April 2005.
130. O'Riordan DL, Lunde KB, Urschitz J, Glanz K. "Validation of an objective measure of sunscreen use." Poster Session; Citation Award, Society for Behavioral Medicine Annual Meetings, Boston, April 2005.
131. Moderator, Roundtable Discussion at "Decision Making in the Cancer Context: Translation from Basic Science through Population Health," at Pre-Conference Workshop, Cancer Special Interest Group, Society for Behavioral Medicine Meetings, Boston, April 2005.
132. Nutrition Environments and Health. At 15<sup>th</sup> Annual Art and Science of Health Promotion Conference, San Francisco, March 2005.

133. Tailored Communications for Skin Cancer Prevention. At EPIC Center for Excellence in Cancer Communication, University of Pennsylvania Annenberg School of Communication, Philadelphia, January 2005.
134. Food Availability in Communities, at Symposium “Environmental Influences on Healthy Behavior.” At North American Association for the Study of Obesity (NAASO) Annual Scientific Meeting, Las Vegas, November 2004.
135. Ethical Issues Related to Health Care Disparities in Obesity, at Symposium “ Ethics Symposium: Legal and Ethical Implications of Obesity.” At North American Association for the Study of Obesity (NAASO) Annual Scientific Meeting, Las Vegas, November 2004.
136. Conceptualizing and measuring nutrition environments: Methods and preliminary findings from NEMS. Division of Nutrition and Physical Activity, Centers for Disease Control and Prevention, November 2004.
137. What is known about diffusion and dissemination of evidence-based programs for improving health behaviors? At “Increasing Physical Activity in Populations: Understanding Diffusion and Dissemination.” Cooper Institute, Dallas, October 2004.
138. Cancer-Related Health Disparities Among Women: Rates, Risk Factors and Cultural Issues. At “Cancer Disparities: A World of Difference,” 2<sup>nd</sup> Annual International Scientific Symposium, Winship Cancer Institute, Emory University. Atlanta, GA, September 2004.
139. Predictors of Dietary Behavior. At NHLBI Workshop, “Predictors of Diet, Physical Activity, and Obesity.” Bethesda, MD, August 2004.
140. Consumer Preferences and Their Impacts on Nutraceuticals. At Colloquium, “Making Fruits and Vegetables Flavorful, Nutritive, and Convenient to Eat for Improved Human Health.” American Society of Horticultural Sciences, Austin, Texas, July 2004.
141. Moderator, Online Forum for The Resource Center for Adolescent Pregnancy Prevention (ReCAPP). “Health Education and Behavior Theory,” June 2004.
142. How to Achieve Environmental & Policy Interventions to Improve Dietary Behaviors. Invited lecture at University of Maastricht, Faculty of Health Sciences, May 2004
143. Improving dietary self-monitoring and adherence with hand-held computers: A pilot study. Presented at Society for Behavioral Medicine Annual Meetings, Baltimore, March 2004. Also as a Poster session at: The Science of Real-Time Data Capture: Self-Reports in Health Research. Conference sponsored by the National Cancer Institute, Charleston, S.C., September 2003.
144. Prevention Research (with Professor Hans Brug). Week-long course, at “Courses in Quantitative Medical Research,” Erasmus Summer Programme, Rotterdam, the Netherlands, Summer 2003.
145. Changing Dietary Behavior; Keynote Lecture, Hawaii Dietetic Association Annual Meeting; Honolulu, Hawaii, April 2003.
146. Results of Project SCAPE, A Randomized Trial of Tailored Communication for Skin Cancer Prevention; American Public Health Association Annual Meetings; Philadelphia, November 2002.
147. Fruit and Vegetable Environment, Policy and Pricing Interventions in Restaurants, at Workshop on Fruit and Vegetable Environmental, Policy and Pricing Interventions; Centers for Disease Control & Prevention and American Cancer Society; Atlanta, September 2002.

148. High-Risk and Population-Based Strategies for Cancer Prevention and Control; at University of Maastricht, the Netherlands, May 2002; and Queensland Cancer Fund, Brisbane, Australia, August 2002.
149. Interventions to Promote Healthy Eating: A Review of Models, Programs, and Evidence. At Cancer Council Victoria, Melbourne, Vic, Australia; and at New South Wales Health Department, Sydney, NSW, Australia; August 2002.
150. Tobacco Control Strategies for Youth: How Can We Prevent a New Generation of Smokers? Speaker and Panel Moderator, "Cancer Prevention and Control Among Pacific Island Populations", at Global Public Health Conference, Honolulu, June 2002.
151. Usando la teoría para promover la educación alimentaria para niños (Using theory to promote nutrition education for children). At Simposio de Educación Alimentaria Para Niños (Symposium of Nutrition Education for Children), Universidad Iberoamericana, Mexico City, April 2002.
152. The Impact of Intervention Strategies to Reduce UVR Exposure. At Society for Behavioral Medicine Annual Meetings. Washington, D.C., April 2002.
153. Dissemination of an Effective Skin Cancer Prevention Program. At Society for Behavioral Medicine Annual Meetings. Washington, D.C., April 2002.
154. Tobacco-Related Research. At 'Imi Hale Native Hawaiian Cancer and Native Hawaiian Center of Excellence Faculty Development Symposium. Honolulu, March 2002.
155. Activating Multiethnic Youth for Smoking Prevention: Project SPLASH. University of Pennsylvania Tobacco Research Center (Department of Psychiatry and Cancer Center), Philadelphia, February 2002.
156. Guidelines for School Programs to Prevent Skin Cancer. At "Skin Cancer Guidelines Forum", Atlanta, January 2002; and at CDC 2002 National Leadership Conference to Strengthen HIV/AIDS Education and Coordinated School Health Programs, Washington DC, February 2002.
157. *Pool Cool* Skin Cancer Prevention Program. "Best Practices for Promoting Healthy Lifestyles," at the National Recreation and Park Association (NRPA) Annual Congress, Denver, October 2001.
158. Primary Prevention of Skin Cancer in the USA: Social or Individual Responsibility? At the Centers for Disease Control and Prevention, Cancer Conference 2001, Atlanta, September 2001.
159. Guidelines for School Programs to Prevent Skin Cancer. At the Centers for Disease Control and Prevention, Cancer Conference 2001, Atlanta, September 2001. Also presented at "From Guidelines to Action: Skin Cancer Prevention in Schools," sponsored by American Cancer Society and Centers for Disease Control, Atlanta, January 2002.
160. Health Promotion Interventions to Reduce Skin Cancer Risk: Key Lessons and Principles. At "Sun Industry Seminar," Anti-Cancer Council of Victoria, Melbourne, Australia, July 2001.
161. Community-based Cancer Prevention Research in Hawaii: Linking Research and Practice. Special Public Lecture, Queensland Cancer Fund, Brisbane QLD, Australia, July 2001.
162. Dietary behavior change strategies for preventing cancer: State of the Art. Plenary session at the Annual Research Conference of the American Institute for Cancer Research, Washington, D.C., July 2001. Also presented at Smart Foods Centre, University of Wollongong, Wollongong NSW, Australia, August 2001.

163. Maddock J, Glanz K, Yamauchi J, Shigaki D. Relationship between tobacco advertisements, promotions, and tobacco use among middle school students. Society for Behavioral Medicine Scientific Meetings, Seattle, March 2001.
164. Retail alcohol sales to minors: Effects of time of day and showing identification. Society for Behavioral Medicine Scientific Meetings, Seattle, March 2001. [Moderator of session, also.]
165. Participant reactions to a computerized telephone system for nutrition and exercise counseling. Society for Behavioral Medicine Scientific Meetings, Seattle, March 2001.
166. Dietary Change Strategies for Chronic Disease Prevention: Theory and Evidence. Prevention & Self-Care Symposium, Kaiser Permanente Southern California, Costa Mesa, CA, December 2000.
167. Environmental and psychological influences on genetic testing: A Behavioral Scientist's perspective. Master Dialogue Session at Intl Congress of Behavioral Medicine, Brisbane QLD, Australia, Nov 2000.
168. Evaluation of tailored skin cancer prevention strategies: Project SCAPE. Presented at International Congress of Behavioral Medicine, Brisbane QLD, Australia, November 2000.
169. Skin cancer prevention programs in outdoor recreation settings. Presented at International Congress of Behavioral Medicine, Brisbane QLD, Australia, November 2000.
170. The influence of nutrition environments and policy on dietary habits. Presented at International Congress of Behavioral Medicine, Brisbane QLD, Australia, November 2000.
171. Evaluation of tailored skin cancer prevention strategies: Project SCAPE. Psychosocial Approaches to Cancer Prevention, Fox Chase Cancer Center, Philadelphia, October 2000.
172. Tobacco Prevention Research and Policy in Hawaii. Grand Rounds: Department of Medicine, University of Hawaii John A. Burns School of Medicine, September 2000. Reprinted at Queen's Medical Center Grand Rounds, May 18, 2001. Reprinted again at Kapiolani Medical Center, September 17, 2001.
173. Public Health Aspects of Enforcing the Liquor Laws. Hawaii State Liquor Investigators Workshop, Honolulu, September 2000.
174. Update on Project PAU: Preventing Alcohol Use Among Youth in Hawaii. Annual Conference of Liquor Administrators, Kapalua, Maui – September 1999; Honolulu – September 2000.
175. Mediating factors in worksite and nutrition health interventions. Ontario Cancer Institute, Toronto, August 2000.
176. Skin Cancer Prevention Research Update: Project SCAPE and *Pool Cool*. Lineberger Cancer Center, University of North Carolina, April 2000.
177. Development and reliability of a brief skin cancer assessment. Society for Behavioral Medicine Annual Meetings, Nashville, April 2000.
178. Reducing obesity through nutrition and physical activity: Organizational and Institutional Influences. Society for Public Health Education (SOPHE) Annual Meetings, Washington, D.C., November 1998.
179. Health practices of the rich and famous. American Public Health Association (APHA) Annual Meetings, Washington, D.C., November 1998.

180. Ethical and legal factors in genetic testing for cancer. American Public Health Association (APHA) Annual Meetings, Washington, D.C., November 1998.
181. Nutrition and Breast Health. At "Breast Cancer Today: Change, Challenge, Controversy, and Hope." American Cancer Society/Terry Fox Events Conference. Four Seasons Hualalai Resort, Big Island, Hawaii, October 1998.
182. Psychosocial correlates of intentions to obtain genetic testing for colorectal cancer. International Congress of Behavioral Medicine, Copenhagen, Denmark, August 1998.
183. Mediating factors in health promotion research: Understanding how and why our interventions work (or don't). Commonwealth Department of Health and Family Services, Canberra ACT, Australia, September 1998; and Sydney University School of Public Health, September 1998.
184. Psychosocial aspects of Colorectal Cancer: Family Perspectives. Melbourne, Australia: Anti-Cancer Council of Victoria, October 1998.
185. Active ingredients of worksite health promotion interventions, and Applying theory to skin cancer prevention, at Deakin University, Burwood, Victoria Australia, September 1998.
186. Stages of change and changing behavior: workshop and seminar. Queensland University of Technology School of Public Health, Brisbane QLD Australia, October 1998.
187. Nutrition and Behavior Change: Lessons Learnt and Future Directions, Keynote Address at Australian Association of Health Promotion Professionals, Brisbane QLD Australia, October 1998.
188. Ethical and Legal Factors in Genetic Testing for Cancer: Public and Provider Perspectives. At the Society for Behavioral Medicine Annual Meetings, New Orleans, March 1998; and Kapiolani Health Research Institute's 11<sup>th</sup> Annual Research Symposium, Honolulu, June 1998.
189. Theory at a Glance: Practical Application of Health Communication for Public Health Workers, symposium moderator; and Theory Fundamentals. At Cardiovascular Health: Coming Together for the 21<sup>st</sup> Century, a National Conference. San Francisco, February 1998.
190. Assessment of Cultural and Psychological Factors Related to Nutrition Behavior, at Delta Nutrition Intervention Research Initiative Symposium on Assessment, Chevy Chase, Md., September 1997.
191. Theories, Planning and Organising Health Promotion Programs. At International Conference on Health Promotion, Lisboa, Portugal, September 1996.
192. Perspectives from the USA. "Achieving Best Practice in Health Promotion: Fostering Evidence-Based Decision Making." National Centre for Health Promotion, University of Sydney, Australia, Dec 1995.
193. Review and Synthesis: Nutrition Counseling Attitudes and Practices of Physicians. At "International Workshop on Nutrition Counseling in Primary Care," Heelsum, the Netherlands, December 1995.
194. Introduction to Health Promotion. International Summer School 1995, School of Public Health, Queensland University of Technology, Brisbane, Australia, November 1995.
195. Communicating About Risk of Infectious Diseases. 25th Anniversary Symposium of the Institute of Medicine, National Academy of Sciences, Washington, D.C., October 1995.

List of 300+ more presentations/talks including those pre-dating 1994 is available on request

**ATHLETIC/FITNESS ACTIVITIES**

Finisher, Ironman Triathlon World Championship (Kailua-Kona, Hawaii), October 2002  
Finisher, 2<sup>nd</sup> place age group and 75 out of 768 females, Hawaii from Home Virtual Ironman, October 2020  
First Place (Women age 50-54), Tugaloo Triathlon, Georgia State Olympic Distance Championships, September 2004; Third Place (Women age 50-54), September 2005  
First Place (Women age 50-54), Hope Springs Eternal 5K, Decatur GA, April 2004 and April 2005; Second Place (Women age 50-54), May 2006 and May 2008  
First Place, Women 55-59, DQ Triathlon, Marlton NJ, August 2009  
First Place, Women 55-59, Pine Barrens Triathlon, Lake Aniston, NJ, May 2010  
First Place, Women 55-59, Upper Main Line YMCA Triathlon, Berwyn PA, April 2011; 2<sup>nd</sup> place, April 2012  
First Place (Women 55-59), Parvin State Park Triathlon, Pittsgrove, NJ, June 2011  
First Place, Women 60-64, Upper Main Line YMCA Triathlon, Berwyn PA, April 2013, April 2014, April 2015  
First Place (Women 70-74), Marsh Creek Triathlon, September 2023  
Qualifier, Olympic-Distance USA Triathlon Age Group National Championships, 2014, 2015, and 2016  
First Place, Women 60-64, Presidential Lakes Triathlon (Olympic Distance), Pemberton, NJ, August 2013  
First Place, Women 60-64, Presidential Lakes Triathlon (Sprint Distance), Pemberton, NJ, August 2015  
Second Place (Women 70-74), North Shore Triathlon, March 2023  
Second Place (Women 65-69), Philly Women's Triathlon, July 2018  
Second Place, Women 60-64, Quarterman Triathlon, Port Republic, NJ, September 2014  
Second Place (Women age 55-59), Jellyfish Swim at Honolulu Triathlon, May 2009  
Second Place (Women age 50-54), John Tanner State Park Triathlon, May 2004  
Second Place (Women age 50-54), Tri the Parks Triathlon Series, Summer 2004; Third Place 2005  
Third Place (Women age 50-54), Fort Yargo State Park Triathlon, June 2005  
Third Place (Women age 50-54), Indian Springs State Park Triathlon, July 2004  
Third Place (Women age 50-54), Richard B. Russell State Park Triathlon, July 2004  
Second Place (Women age 45-49), Haleiwa Triathlon, November 2002  
Third Place (Women age 45-59), Ko Olina Challenge Triathlon, October 2003  
Third Place (Women age 45-49), 2K Turkey Swim, Nov 2002; Third Place (Women age 50-54), Nov 2003  
Third Place, Women 60-64, Marlton Lakes Triathlon, August 2013
